Explanatory Note

This Amendment No. 1 on Form 10-Q/A (as amended, the “Quarterly Report” or the “Quarterly Report on Form 10-Q/A”) amends and restates certain items noted below in the Quarterly Report on Form 10-Q of Shift4 Payments, Inc. (the “Company”) for the three months ended March 31, 2022, as originally filed with the Securities and Exchange Commission (“SEC”) on May 6, 2022 (the “Original Form 10-Q”).

Background and Effect of Restatement

On October 17, 2022, the Audit Committee (“Audit Committee”) of the Board of Directors of the Company, after discussion with management, concluded that the Company’s (i) previously filed Annual Report on Form 10-K for the fiscal year ended December 31, 2021 and (ii) previously filed Quarterly Reports on Form 10-Q for each of the quarterly periods ended September 30, 2021, March 31, 2022 and June 30, 2022 (collectively the “Prior Financial Statements”), and any reports, related earnings releases, investor presentations or similar communications of the Company’s Prior Financial Statements should no longer be relied upon.

The determination resulted from an error in the Prior Financial Statements identified by the Company related to the classification of customer acquisition costs within the Company’s Condensed Consolidated Statements of Cash Flows. Specifically, the Company determined that “Customer acquisition costs” were incorrectly classified within “Investing activities” rather than “Operating activities” in its Condensed Consolidated Statements of Cash Flows. The Company is correcting this misclassification by restating its Condensed Consolidated Statements of Cash Flows through the amendments of the Prior Financial Statements.

The Company determined that the restatement did not have any impact on the Company’s operating performance or reported key performance indicators.

Internal Control Considerations

As a result of this restatement, the Company’s management has re-evaluated the effectiveness of the Company’s disclosure controls and procedures as of March 31, 2022. Management has concluded that the Company’s disclosure controls and procedures were not effective at March 31, 2022 due to a material weakness in internal control over financial reporting. Specifically, there was a lack of an effectively designed control activity related to the classification of customer acquisition costs within the Consolidated Statements of Cash Flows. See additional discussion included in Part I, Item 4. “Controls and Procedures” of this Quarterly Report.

Items Amended in this Quarterly Report on Form 10-Q/A

For the convenience of the reader, this Quarterly Report presents the Original Form 10-Q in its entirety. It includes (i) items that have been amended as a result of the restatement in: Part I, Item 1. “Financial Statements”; Part I, Item 2. “Management’s Discussion and Analysis of Financial Condition and Results of Operations”; Part I, Item 4. “Controls and Procedures”; and Part II, Item 6. “Exhibits”; and in addition to these items amended due to the restatement, updates to certain other information as follows: (ii) certain other conforming changes within Part I, Item 1. “Financial Statements” and Part I, Item 2. “Management’s Discussion and Analysis of Financial Condition and Results of Operations”; (iii) updates to cross-references throughout the Quarterly Report; and (iv) an updated Signatures page (together, the “Amended Items”). In accordance with Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Company is also including with this Quarterly Report currently dated certifications of the Company’s principal executive officer and principal financial officer (included in Part II, Item 6. “Exhibits” and attached as Exhibits 31.1, 31.2, 32.1, and 32.2).

Except for the Amended Items, this Quarterly Report is presented as of the date of the Original Form 10-Q and has not been updated to reflect events occurring subsequent to the filing of the Original Form 10-Q other than the Amended Items and those associated with the restatement of our unaudited condensed consolidated financial statements. Among other things, forward-looking statements made in the Original Form 10-Q have not been revised to reflect events, results or developments that occurred or facts that became known to us after the date of the Original Form 10-Q, other than the Amended Items and those associated with the restatement of our unaudited condensed consolidated financial statements, and such forward-looking statements should be read in conjunction with our filings with the SEC, including those subsequent to the filing of the Original Form 10-Q.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q/A contains forward-looking statements. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). All statements other than statements of historical facts contained in this Quarterly Report on Form 10-Q/A, including, without limitation, statements relating to our future results of operations and financial position, business strategy and plans, objectives of management for future operations, including, among others, statements regarding expected growth, future capital expenditures and debt service obligations, remediation of material weaknesses, and the anticipated impact of COVID-19 on our business are forward-looking statements. These statements involve known and unknown risks, uncertainties and other important factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements.

In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “expect,” “plan,” “anticipate,” “could,” “intend,” “target,” “project,” “contemplate,” “believe,” “estimate,” “predict,” “potential,” or “continue” or the negative of these terms or other similar expressions though not all forward-looking statements can be identified by such terms or expressions. The forward-looking statements in this Quarterly Report on Form 10-Q/A are only predictions. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our business, financial condition and results of operations. These forward-looking statements speak only as of the date of this Quarterly Report on Form 10-Q/A and are subject to a number of important factors that could cause actual results to differ materially from those in the forward-looking statements, including, but not limited to the following:

- the COVID-19 global pandemic has had and is expected to continue to have an adverse effect on our business and results of operations;
- substantial and increasingly intense competition worldwide in the financial services, payments and payment technology industries may adversely affect our overall business and operations;
- potential changes in the competitive landscape, including disintermediation from other participants in the payments chain, could harm our business;
- our ability to anticipate and respond to changing industry trends and the needs and preferences of our merchants and consumers may adversely affect our competitiveness or the demand for our products and services;
- because we rely on third-party vendors to provide products and services, we could be adversely impacted if they fail to fulfill their obligations;
- acquisitions create certain risks and may adversely affect our business, financial condition or results of operations;
- we may not be able to continue to expand our share of the existing payment processing markets or expand into new markets which would inhibit our ability to grow and increase our profitability;
- our services and products must integrate with a variety of operating systems, software, device and web browsers, and our business may be materially and adversely affected if we are unable to ensure that our services interoperate with such operating systems, device, software and web browsers;
- we depend, in part, on our merchant and software partner relationships and strategic partnerships with various institutions to operate and grow our business. If we are unable to maintain these relationships and partnerships, our business may be adversely affected;
- our balance sheet includes significant amounts of goodwill and intangible assets. The impairment of a significant portion of these assets would negatively affect our business, financial condition or results of operations;
- failure to comply with the U.S. Foreign Corrupt Practices Act (“FCPA”) anti-money laundering, economic and trade sanctions regulations, and similar laws could subject us to penalties and other adverse consequences;
- our principal asset is our interest in Shift4 Payments, LLC, and, as a result, we depend on distributions from Shift4 Payments, LLC to pay our taxes and expenses, including payments under the Tax Receivable Agreement (“TRA”). Shift4 Payments, LLC’s ability to make such distributions may be subject to various limitations and restrictions;
- our Founder (as defined herein) has significant influence over us, including control over decisions that require the approval of stockholders;
- the potential impact of, and our ability to remediate, material weaknesses in our internal control over financial reporting;

[Table of Contents](#)

- the ongoing military action between Russia and Ukraine could adversely affect our business, financial condition and results of operations; and
- those factors described in the sections titled “Risk Factors” and “Management’s Discussion and Analysis of Financial Conditions and Results of Operations” in our Annual Report on Form 10-K/A for the fiscal year ended December 31, 2021, filed on November 8, 2022 (the “2021 Form 10-K/A”) and the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this Quarterly Report on Form 10-Q/A.

Moreover, we operate in an evolving environment. New risk factors and uncertainties may emerge from time to time, and it is not possible for management to predict all risk factors and uncertainties.

You should read this Quarterly Report on Form 10-Q/A and the documents that we reference in this Quarterly Report on Form 10-Q/A completely and with the understanding that our actual future results may be materially different from what we expect. We qualify all of our forward-looking statements by these cautionary statements. Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained herein, whether as a result of any new information, future events, changed circumstances or otherwise.

Shift4 Payments, Inc. is the primary beneficiary and sole managing member of Shift4 Payments, LLC and has decision making authority that significantly affects the economic performance of the entity. As a result, the Company consolidates Shift4 Payments, LLC, and reports a noncontrolling interest representing the economic interest in Shift4 Payments, LLC held by certain affiliates of Rook and Searchlight Capital Partners (“Searchlight”) (together, the “Continuing Equity Owners”).

Change in Presentation of Condensed Consolidated Statements of Operations

The Company has changed the presentation of its Condensed Consolidated Statements of Operations to remove the “Gross profit” line item and update the “Cost of sales” line item to indicate it is exclusive of depreciation and amortization expense shown separately for the three months ended March 31, 2022 and 2021. The Company has also changed the presentation of the disclosure in Note 23 to remove the reconciliation between “Gross revenue” and “Gross profit.”

Liquidity and Management’s Plan

As of March 31, 2022, the Company had \$1,772.5 million outstanding under its credit facilities and was in compliance with the financial covenants under its debt agreements. The Company expects to be in compliance for at least 12 months following issuance of these unaudited condensed consolidated financial statements. See Note 11 for further information on the Company’s debt obligations.

The rapid spread of COVID-19 resulted in governmental authorities throughout the United States and the rest of the world implementing a variety of containment measures with the objective of slowing the spread of the virus, including travel restrictions, shelter-in-place orders and business shutdowns or other restrictions. The COVID-19 pandemic and these containment measures have had, and could continue to have, a significant impact on the Company’s business. While the Company has experienced year-over-year growth in its gross revenues and end-to-end payment volumes, end-to-end payment volumes in certain merchant categories, particularly those associated with international travel and corporate travel are running lower than pre-COVID-19 pandemic levels. The ultimate impact that the COVID-19 pandemic and any variants will have on the Company’s consolidated results of operations in future periods remains uncertain. The Company will continue to evaluate the nature and extent of these potential impacts to its business, consolidated results of operations and liquidity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the amounts reported in the unaudited condensed consolidated financial statements and accompanying notes. Significant estimates inherent in the preparation of the accompanying unaudited condensed consolidated financial statements include estimates of fair value of acquired assets and liabilities through business combinations, fair value of contingent liabilities related to earnout payments, fair value of debt instruments, allowance for doubtful accounts, income taxes, investments in securities and noncontrolling interests. Estimates are based on past experience and other considerations reasonable under the circumstances. Actual results may differ from these estimates.

Additionally, the full impact of the COVID-19 pandemic is unknown and cannot be reasonably estimated. However, the Company has made accounting estimates based on the facts and circumstances available as of the reporting date. To the extent there are differences between these estimates and actual results, the unaudited condensed consolidated financial statements may be materially affected.

Significant Accounting Policies

The Company’s significant accounting policies are discussed in Note 2 to Shift4 Payments, Inc.’s consolidated financial statements as of and for the years ended December 31, 2021 and 2020 in the 2021 Form 10-K/A. There have been no significant changes to these policies which have had a material impact on the Company’s unaudited condensed consolidated financial statements and related notes during the three months ended March 31, 2022.

Recent Accounting Pronouncements

Accounting Pronouncements Adopted

In February 2016, the FASB issued ASC 842 with amendments in 2018 and 2019. This accounting guidance requires a lessee to record assets and liabilities on the balance sheet for the rights and obligations arising from leases with terms of more than 12 months. On January 1, 2021, the Company adopted ASC 842 using the modified retrospective method, reflecting the adoption in the Company's annual results for the period ended December 31, 2021. Prior period amounts were not adjusted and continue to be reported in accordance with historic accounting under previous lease guidance, ASC Topic 840, Leases ("ASC 840"). The Company elected to use the package of practical expedients permitted under the transition guidance. The Company did not reassess (i) whether any expired or existing contracts are or contain leases, (ii) the lease classification for any expired or existing leases, or (iii) initial direct costs for any existing leases. For lease agreements where the Company is a lessee that include lease and non-lease components, the Company elected to use the practical expedient on all leases entered into or modified after January 1, 2021 to combine lease and non-lease components for all classes of assets. Additionally, the Company elected to not record on the balance sheet leases with a term of twelve months or less. Upon adoption, the Company recorded right-of-use assets of \$21.4 million and lease liabilities of \$25.7 million. The adoption of ASC 842 did not result in a material impact to the consolidated statements of operations or cash flows. See Note 15 for ASC 842-related disclosures.

In June 2016, the FASB issued Accounting Standards Update ("ASU") 2016-13: *Financial Instruments—Credit Losses (Topic 326)*, which changes the impairment model for most financial assets, including accounts receivable, and replaces the existing incurred loss impairment model with a current expected credit loss ("CECL") methodology, which will result in more timely recognition of credit losses. The Company adopted ASU 2016-13 on a modified retrospective basis on December 31, 2021, reflecting the adoption as of January 1, 2021 in the Company's annual results for the period ended December 31, 2021 and interim periods beginning January 1, 2022. The adoption of ASU 2016-13 did not result in a material impact on the Company's unaudited condensed consolidated financial statements and disclosures.

In October 2021, the FASB issued ASU 2021-08, *Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*. This ASU requires an acquirer to account for revenue contracts acquired in a business combination in accordance with ASC 606, as if it had originated the contracts. Prior to ASU 2021-08, an acquirer generally recognized assets acquired and liabilities assumed in a business combination, including contract assets and contract liabilities arising from revenue contracts with customers and other similar contracts, at fair value on the acquisition date. The Company adopted ASU 2021-08 in the third quarter of 2021 and retrospectively applied the ASU to its acquisitions that occurred in 2021. The adoption of ASU 2021-08 resulted in an increase to "Deferred revenue" of \$5.7 million, of which \$1.8 million was recognized as an increase to "Gross revenue" for the fiscal year ended December 31, 2021.

In July 2021, the FASB issued ASU 2021-05, *Lessors—Certain Leases with Variable Lease Payments*, to amend lessor accounting for certain leases with variable lease payments that do not depend on a reference index or a rate and would have resulted in the recognition of a loss at lease commencement if classified as a sales-type or a direct financing lease. ASU 2021-05 amends the classification requirements of such leases for lessors to require operating lease classification. The Company adopted ASU 2021-05 on a retrospective basis effective January 1, 2022. The adoption did not have a significant impact on the Company's unaudited condensed consolidated financial statements.

Accounting Pronouncements Not Yet Adopted

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform*, which provides optional expedients and exceptions for applying U.S. GAAP to contract modifications and hedging relationships, subject to certain criteria, that reference the London Interbank Offered Rate ("LIBOR"), or another reference rate that is expected to be discontinued. Companies may elect to apply these amendments through December 31, 2022. The Company is currently evaluating whether we will elect the optional expedients, as well as evaluating the impact of ASU 2020-04 on the Company's unaudited condensed consolidated financial statements.

2. Restatement of Previously Issued Condensed Consolidated Financial Statements

In October 2022, it was determined that there was an error in the Company's original Quarterly Report on Form 10-Q for the three months ended March 31, 2022 related to the classification of customer acquisition costs within the Company's Condensed Consolidated Statements of Cash Flows. Specifically, the Company determined that "Customer acquisition costs" were incorrectly classified within "Investing activities" rather than "Operating activities" in its Condensed Consolidated Statements of Cash Flows. The Company is correcting this misclassification by restating its Condensed Consolidated Statements of Cash Flows through the amendment of its Quarterly Report on Form 10-Q.

The following tables summarize the impact of these adjustments for the periods presented:

	Three Months Ended March 31, 2022		
	As Reported	Adjustments	As Restated
Net cash provided by operating activities	\$ 37.1	\$ (6.3)	\$ 30.8
Net cash used in investing activities	(43.9)	6.3	(37.6)
Net cash used in financing activities	(35.7)	—	(35.7)
Change in cash and cash equivalents	\$ (42.5)	\$ —	\$ (42.5)

	Three Months Ended March 31, 2021		
	As Reported	Adjustments	As Restated
Net cash used in operating activities	\$ (1.7)	\$ (5.4)	\$ (7.1)
Net cash used in investing activities	(77.5)	5.4	(72.1)
Net cash used in financing activities	(3.7)	—	(3.7)
Change in cash and cash equivalents	\$ (82.9)	\$ —	\$ (82.9)

3. Acquisitions

Each of the following acquisitions was accounted for as a business combination using the acquisition method of accounting. The respective purchase prices were allocated to the assets acquired and liabilities assumed based on the estimated fair values at the date of acquisition. The excess of the purchase price over the fair value of the net assets acquired was allocated to goodwill and represents the future economic benefits arising from other assets acquired, which cannot be individually identified or separately recognized. Under the acquisition method of accounting for business combinations, if there are changes to acquired deferred tax balances, valuation allowances or liabilities related to uncertain tax positions during the measurement period, and they are related to new information obtained about facts and circumstances that existed as of the acquisition date, those changes are considered a measurement-period adjustment, with the offset recorded to goodwill.

The Giving Block

On February 28, 2022, the Company acquired The Giving Block, Inc. (“The Giving Block”) for \$06.9 million of estimated total purchase consideration, net of cash acquired. The Giving Block is a cryptocurrency donation marketplace that the Company expects to accelerate its growth in the non-profit sector with significant cross-sell potential. Total purchase consideration was as follows:

Cash	\$	16.8
Shares of Class A common stock (a)		36.4
RSUs granted for fair value of equity-based compensation awards (b)		0.1
Contingent consideration (c)		57.8
Total purchase consideration		111.1
Less: cash acquired		(4.2)
Total purchase consideration, net of cash acquired	\$	106.9

(a) Total purchase consideration includes 785,969 shares of common stock.

(b) The Company assumed all equity awards held by continuing employees. The portion of the fair value of the equity-based compensation awards associated with prior service of The Giving Block employees represents a component of the total consideration as presented above and was valued based on the fair value of The Giving Block awards on February 28, 2022, the acquisition date.

(c) The Company agreed to an earnout due to the former shareholders of The Giving Block in April 2023, calculated as a multiple of revenue earned by The Giving Block from March 1, 2022 to February 28, 2023, not to exceed \$246.0 million. The earnout will be paid 75% in a combination of RSUs and shares of the Company’s Class A common stock and 25% in cash. The fair value of the earnout was included in the initial purchase consideration and will be revalued quarterly until the end of the earnout period as a fair value adjustment within “General and administrative expenses” in the Company’s unaudited Condensed Consolidated Statements of Operations. As of March 31, 2022, the fair value of the earnout included in the purchase consideration was \$57.8 million, which is recognized in “Accrued expenses and other current liabilities” on the Company’s unaudited Condensed Consolidated Balance Sheets. In addition, a portion of the earnout due in April 2023 is considered post-acquisition compensation expense and will be accrued throughout the earnout period within “General and administrative expenses” on the Company’s unaudited Condensed Consolidated Statements of Operations. As of March 31, 2022, \$1.4 million was included in “Accrued expenses and other current liabilities” on the Company’s unaudited Condensed Consolidated Balance Sheets.

The following table summarizes the fair value assigned to the assets acquired and liabilities assumed at the acquisition date. These amounts reflect various preliminary fair value estimates and assumptions, and are subject to change within the measurement period as valuations are finalized. The primary areas of preliminary purchase price allocation subject to change relate to the valuation of contingent consideration, accounts receivable, accrued expenses, other current liabilities assumed and residual goodwill.

Accounts receivable	\$	0.1
Other intangible assets		26.0
Goodwill (a)		89.3
Deferred revenue		(2.1)
Deferred tax liability		(6.4)
Net assets acquired	\$	<u>106.9</u>

(a) Goodwill is not deductible for tax purposes.

In the three months ended March 31, 2022, the Company incurred expenses in connection with The Giving Block acquisition of \$2.2 million. These expenses are included in "Professional fees" in the Company's unaudited Condensed Consolidated Statements of Operations.

The fair values of intangible assets were estimated using inputs classified as Level 3 under the income approach using either the relief-from-royalty method (developed technology and trade name), the with or without method (donor relationships) or the multi-period excess earnings method (customer relationships). The contingent liability arising from the expected earnout payment included in purchase consideration was measured on the acquisition date using a Monte Carlo simulation in a risk-neutral framework, calibrated to Management's revenue forecasts. The transaction was not taxable for income tax purposes. The weighted average life of developed technology, the trade name, donor relationships and customer relationships is 8 years, 15 years, 5 years and 15 years, respectively. The goodwill arising from the acquisition largely consisted of revenue synergies associated with a larger total addressable market and the ability to cross-sell existing customers, new customers and technology capabilities.

The Giving Block acquisition did not have a material impact on the Company's unaudited condensed consolidated financial statements. Accordingly, revenue and expenses related to the acquisition and pro forma financial information have not been presented.

Postec

The Company completed the acquisition of Postec, Inc. ("Postec") on September 1, 2021, by acquiring 100% of its membership interests for \$14.3 million in cash, net of cash acquired. The purchase was funded with cash on hand. This acquisition enables the boarding of the vendor's customers on the Company's end-to-end acquiring solution and empowers the Company's distribution partners to sign the vendor's customer accounts and leverage the combined expertise to handle all aspects of installation, service, and support, similar to the hospitality technology vendor acquired in October 2020.

Pending Finaro Acquisition

On March 1, 2022, the Company entered into a definitive agreement to acquire Credorax, Inc. d/b/a Finaro ("Finaro") for approximately \$200.0 million in cash on hand, \$325.0 million in shares of the Company's Class A common stock and a performance-based earnout of up to \$50.0 million in the Company's Class A common stock. Consummation of the merger is subject to regulatory approvals, which the Company expects to receive in the fourth quarter of 2022. Finaro is a cross-border eCommerce platform and bank specializing in solving complex payment problems for multi-national merchants that the Company believes will accelerate its growth in international markets. In the three months ended March 31, 2022, the Company incurred expenses in connection with the Finaro acquisition of \$3.6 million. These expenses are included in "Professional fees" in the Company's unaudited Condensed Consolidated Statements of Operations.

Contract Liabilities

The Company charges merchants for various post-contract license support/service fees and annual regulatory compliance fees. These fees typically relate to a period of one year. As of March 31, 2022 and December 31, 2021, the Company had deferred revenue of \$24.1 million and \$17.4 million, respectively. The change in the contract liabilities was primarily the result of a timing difference between payment from the customer and the Company’s satisfaction of each performance obligation.

13. Fair Value Measurement

U.S. GAAP defines a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted process in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Company determines the fair values of its assets and liabilities that are recognized or disclosed at fair value in accordance with the hierarchy described below. The following three levels of inputs may be used to measure fair value:

- Level 1—Quoted prices in active markets for identical assets or liabilities;
- Level 2—Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and
- Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include items where the determination of fair value requires significant management judgment or estimation.

SHIFT4 PAYMENTS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited) (in millions, except share, unit and per unit amounts)

The Company makes recurring fair value measurements of contingent liabilities arising from certain acquisitions using Level 3 unobservable inputs. These amounts relate to expected earnout payments related to the number of existing point-of-sale merchants that convert to full acquiring merchants.

In conjunction with the acquisition of The Giving Block, Inc. on February 28, 2022, the Company entered into a contingent consideration agreement that requires the Company to pay up to \$246.0 million if certain revenue thresholds of the acquired business are achieved for the twelve months ending February 28, 2023. The fair value of the contingent consideration was estimated using a Monte-Carlo simulation model, which included significant unobservable Level 3 inputs, such as projected financial performance over the earn-out period along with estimates for revenue volatility (16.7%) and the discount rate (7.1%). See Note 3 for more information on the terms of the earnout agreement. The estimated fair value of the contingent consideration related to purchase consideration of \$57.8 million as of March 31, 2022 was recognized in “Accrued expenses and other current liabilities” on the Company’s unaudited Condensed Consolidated Balance Sheets.

The table below provides a reconciliation of the beginning and ending balances for the Level 3 contingent liabilities:

	Three Months Ended March 31,	
	2022	2021
Balance at beginning of period	\$ —	\$ —
Contingent consideration for The Giving Block acquisition	57.8	—
Cash payments made for contingent liabilities related to earnout payments	—	(0.2)
Fair value adjustments	—	0.2
Balance at end of period	<u>\$ 57.8</u>	<u>\$ —</u>

Fair value adjustments are recorded within “General and administrative expenses” in the Company’s unaudited Condensed Consolidated Statements of Operations. There were no transfers into or out of Level 3 during the three months ended March 31, 2022 and 2021.

The estimated fair value of the Company’s outstanding debt using quoted prices from over-the-counter markets, considered Level 2 inputs, was as follows.

	March 31, 2022		December 31, 2021	
	Carrying Value	Fair Value	Carrying Value	Fair Value
2025 Convertible Notes	\$ 690.0	\$ 725.6	\$ 690.0	\$ 735.4
2027 Convertible Notes	632.5	554.1	632.5	556.5
2026 Senior Notes	450.0	437.1	450.0	465.7
Total	<u>\$ 1,772.5</u>	<u>\$ 1,716.8</u>	<u>\$ 1,772.5</u>	<u>\$ 1,757.6</u>

Other financial instruments not measured at fair value on the Company’s unaudited Condensed Consolidated Balance Sheets at March 31, 2022 and December 31, 2021 include cash and cash equivalents, accounts receivable, prepaid expenses and other current assets, other noncurrent assets, accounts payable, and accrued expenses and other current liabilities as their estimated fair values reasonably approximate their carrying value as reported on the Company’s unaudited Condensed Consolidated Balance Sheets.

14. Income Taxes

The Company holds an economic interest in Shift4 Payments, LLC and consolidates its financial position and results. The remaining ownership of Shift4 Payments, LLC not held by the Company is considered a noncontrolling interest. Shift4 Payments, LLC is treated as a partnership for income tax reporting and its members, including the Company, are liable for federal, state, and local income taxes based on their share of the LLC’s taxable income. In addition, Shift4 Corporation and VenueNext, Inc., two operating subsidiaries of Shift4 Payments, LLC, are considered C-Corporations for U.S. federal, state and local income tax purposes. Taxable income or loss from Shift4 Corporation and VenueNext Inc. is not passed through to Shift4 Payments, LLC. Instead, it is taxed at the corporate level subject to the prevailing corporate tax rates.

SHIFT4 PAYMENTS, INC.

(Unaudited) (in millions, except share, unit and per unit amounts)

The Company has assessed the realizability of the net deferred tax assets and in that analysis has considered the relevant positive and negative evidence available to determine whether it is more likely than not that some portion or all of the deferred tax assets will be realized. The Company has recorded a full valuation allowance against the deferred tax assets at Shift4 Payments, Inc. as of March 31, 2022, which will be maintained until there is sufficient evidence to support the reversal of all or some portion of these allowances.

The Company's effective tax rate was (32.0)% and 1.6% for the three months ended March 31, 2022 and 2021, respectively. The effective tax rate for the three months ended March 31, 2022 was different than the U.S. federal statutory income tax rate of 21% primarily due to the loss allocated to the noncontrolling interest, the full valuation allowance on Shift4 Payments, Inc. and VenueNext, Inc. in the United States, and a \$6.4 million income tax benefit related to the valuation allowance release due to acquired deferred tax liabilities from The Giving Block. The effective tax rate for the three months ended March 31, 2021 was different than the U.S. federal statutory income tax rate of 21% primarily due to the loss allocated to the noncontrolling interest and the full valuation allowances on Shift4 Payments, Inc. and VenueNext, Inc. in the United States.

Tax Receivable Agreement

The Company expects to obtain an increase in its share of the tax basis in the net assets of Shift4 Payments, LLC as LLC Interests are redeemed from or exchanged by the Continuing Equity Owners, at the option of the Company, determined solely by the Company's independent directors. The Company intends to treat any redemptions and exchanges of LLC Interests as direct purchases of LLC Interests for U.S. federal income tax purposes. These increases in tax basis may reduce the amounts that it would otherwise pay in the future to various tax authorities. In connection with the Reorganization Transactions and the IPO, the Company entered into the Tax Receivable Agreement ("TRA") with the Continuing Equity Owners.

The TRA provides for the payment by Shift4 Payments, Inc. of 85% of the amount of any tax benefits the Company actually realizes, or in some cases is deemed to realize, as a result of (i) increases in the Company's share of the tax basis in the net assets of Shift4 Payments, LLC resulting from any redemptions or exchanges of LLC Interests, (ii) tax basis increases attributable to payments made under the TRA, and (iii) deductions attributable to imputed interest pursuant to the TRA. The Company expects to benefit from the remaining 15% of any of cash savings that it realizes.

The Company has not recognized a \$248.3 million liability under the TRA after concluding it was not probable that such TRA Payments would be paid based on its estimates of future taxable income. No payments were made to the Continuing Equity Owners pursuant to the TRA during the three months ended March 31, 2022. The amounts payable under the TRA will vary depending upon a number of factors, including the amount, character, and timing of the taxable income of Shift4 Payments, Inc. in the future. If the valuation allowance recorded against the deferred tax assets applicable to the tax attributes referenced above is released in a future period, the TRA liability may be considered probable at that time and recorded within earnings.

If all of the remaining Continuing Equity Owners were to exchange all of their LLC Units, the Company does not expect the deferred tax asset or TRA liability to vary substantially from the amounts reported in the 2021 Form 10-K/A. The actual amount of deferred tax assets and related liabilities are impacted by the timing of the exchanges, the valuation of Shift4 Corporation, the price of the Company's shares of Class A common stock at the time of the exchange, and the tax rates then in effect.

As Lessor

The Company provides hardware, including terminals and point-of-sale equipment, to its merchants under operating leases. The Company's operating leases generally include options to extend the contract for successive one-year periods. Extension options are not included in the determination of lease income unless, at lease inception, it is reasonably certain that the option will be exercised. The Company's operating leases do not generally include purchase options.

Lease payments received are recognized as income on a straight-line basis over the term of the agreement in accordance with ASC 606 and classified as gross revenue on the Company's unaudited Condensed Consolidated Statements of Operations.

Total lease income for the three months ended March 31, 2022 and 2021 was \$4.3 million and \$4.0 million, respectively. Variable lease income was not material for the three months ended March 31, 2022 or 2021.

In the third and fourth quarters of 2021, the Company incurred \$1.1 million in costs associated with a proposed Follow-on Offering that are reimbursable by Searchlight. As of March 31, 2022 and December 31, 2021, \$0.5 million and \$1.1 million, respectively, are included in "Accounts receivable, net" on the Company's unaudited Condensed Consolidated Balance Sheets.

In February 2021, the Company accepted the transfer of the right to select a participant for one seat on board Inspiration4, the first all-civilian mission to space, from the Founder, who is also the commander of the mission. The right was transferred to the Company as a non-cash contribution and recorded at its estimated fair value of \$2.1 million in "Additional paid-in capital" on the Company's unaudited Condensed Consolidated Balance Sheets as of March 31, 2022, and expensed within "Advertising and marketing" on the Company's unaudited Condensed Consolidated Statements of Operations in March 2021 when the participant was selected for the mission through a contest held by the Company.

In the fiscal year ended December 31, 2021, the Company incurred a significant amount of nonrecurring expenses to integrate, rebrand and promote 3dcart to Shift4Shop in conjunction with the Inspiration4 announcement. Certain expenses, totaling \$0.1 million, were directly associated with the Inspiration4 mission and were reimbursable by the Founder. As of March 31, 2022 and December 31, 2021, a \$0.1 million receivable from the Founder was recorded as "Accounts receivable" on the Company's unaudited Condensed Consolidated Balance Sheets.

In March 2021, the Founder, through a wholly-owned special purpose vehicle ("SPV"), entered into a variable prepaid forward contract ("VPF Contract") with an unaffiliated dealer ("Dealer"), covering approximately 2.0 million shares of the Company's Class A common stock. The VPF Contract is scheduled to settle on specified dates in February, March and April 2023, at which time the actual number of shares of the Company's Class A common stock to be delivered by the SPV will be determined based on the price of the Company's Class A common stock on such dates relative to the forward floor price of \$73.19 per share and the forward cap price of \$137.24 per share, with the aggregate number not to exceed approximately 2.0 million shares, which is the number of shares of Company's Class B common stock and LLC units pledged by Rook to secure its obligations under the contract. Subject to certain conditions, the SPV can also elect to settle the VPF Contract in cash and thereby retain full ownership of the pledged shares and units.

SHIFT4 PAYMENTS, INC.

In September 2021, the Founder, through the SPV, entered into two VPF Contracts with a Dealer, one covering approximately 2.18 million shares of the Company's Class A common stock and the other covering approximately 2.26 million shares of the Company's Class A common stock. The VPF Contracts are both scheduled to settle on specified dates in June, July, August and September 2024, at which time the actual number of shares of the Company's Class A common stock to be delivered by the SPV will be determined based on the price of the Company's Class A common stock on such dates relative to the forward floor price of approximately \$ 66.4240 per share and the forward cap price of approximately \$112.09 per share for the contract covering approximately 2.18 million shares of the Company's Class A common stock, and to the forward floor price of \$66.4240 per share and the forward cap price of approximately \$120.39 per share for the contract covering approximately 2.26 million shares of the Company's Class A common stock, with the aggregate number not to exceed approximately 4.44 million shares, which is the aggregate number of shares of Company's Class B common stock and their associated common units of Shift4 Payments, LLC pledged by the SPV to secure its obligations under the contracts. Subject to certain conditions, the SPV can also elect to settle the VPF Contracts in cash and thereby retain full ownership of the pledged shares and units.

If Rook were to default on its obligations under the VPF Contracts and fail to cure such default, the Dealer would have the right to exchange the pledged Class B stock and LLC interests for an equal number of the Company's Class A common stock, and sell such Class A common stock to satisfy Rook's obligation.

17. Commitments and Contingencies

From time to time, the Company may become involved in various lawsuits and legal proceedings, which arise, in the ordinary course of business. However, litigation is subject to inherent uncertainties, and an adverse result in these, or other matters, may arise from time to time that may harm the Company's business. In August 2021, TSYS, a Global Payments company and an important vendor to the Company, experienced a significant platform outage resulting in a payment processing service disruption that lasted for several hours. TSYS is utilized by many major credit card issuers and payment processors, which meant the impact of the outage was felt by many card accepting merchants and cardholders across the nation. The Company took steps to lessen the financial impact to its merchants and partners due to the TSYS outage and is seeking compensation through a variety of channels, including engaging with the responsible party.

The Company is currently not aware of any other legal proceedings or claims that the Company believes will have a material adverse effect on its business, financial condition or operating results.

18. Stockholders' Equity/Members' Deficit

Stock Repurchases

On December 16, 2021, the Company's Board of Directors (the "Board") authorized commencement of a stock repurchase program. The stock repurchase program authorizes the Company to repurchase up to \$100.0 million of the Company's Class A common stock, par value \$0.0001 ("Common Stock") and will expire on December 31, 2022.

Repurchases under the program may be made in the open market, in privately negotiated transactions or otherwise, with the amount and timing of repurchases depending on market conditions and corporate needs. Open market repurchases will be structured to occur within the pricing and volume requirements of Rule 10b-18. The Company may also, from time to time, enter into Rule 10b5-1 plans to facilitate repurchases of its shares under this authorization.

This program does not obligate the Company to acquire any particular amount of Common Stock and the program may be extended, modified, suspended or discontinued at any time at the Company's discretion.

As of December 31, 2021, the Company repurchased 378,475 shares of Common stock for \$21.1 million, including commissions paid, at an average price paid of \$55.81 per share.

The shares repurchased are recorded as "Treasury stock" on the Company's unaudited Condensed Consolidated Balance Sheets.

In April 2022, the Company repurchased 1,126,277 shares of Common stock for \$61.3 million, including commissions paid, at an average price paid of \$54.39 per share.

A maximum of 418,973 shares of the Company’s common stock is available for issuance under the 2020 Plan. The number of shares available for issuance is subject to an annual increase on the first day of each year beginning in 2021 and ending in and including 2030, equal to the lesser of (1) 1% of the shares outstanding (on an as-converted basis, taking into account any and all securities convertible into, or exercisable, exchangeable or redeemable for, shares of Common Stock (including LLC Interests of Shift4 Payments, LLC)) on the last day of the immediately preceding fiscal year and (2) such smaller number of shares as determined by the Board.

On April 28, 2022, the Board adopted the amendment and restatement of the Shift4 Payments, Inc. 2020 Incentive Award Plan (the “Restated Equity Plan”), subject to stockholder approval. The Restated Equity Plan will become effective if it is approved by the stockholders at the Company’s annual meeting of stockholders to be held on June 10, 2022. If approved, the Restated Equity Plan would (a) increase the number of shares available for issuance under the Restated Equity Plan to a total of 7,500,000 shares of common stock available for issuance, (b) approve an increase in the annual “evergreen” increase to the number of shares of the Company’s common stock available for issuance under the Restated Equity Plan from 1% of the shares outstanding to 2% of the shares outstanding, (c) limit the number of shares of the Company’s common stock that may be issued upon the exercise of incentive stock options to no more than 7,500,000 shares, and (d) extend the term of the Restated Equity Plan to ten years from the date it was adopted by the Board.

The RSU activity for the three months ended March 31, 2022 was as follows:

	Three Months Ended March 31, 2022

21. Basic and Diluted Net Loss per Share

The following table presents the calculation of basic and diluted net loss per share under the two-class method.

Basic net loss per share has been computed by dividing net loss attributable to common shareholders by the weighted average number of shares of common stock outstanding for the same period. Shares issued during the period and shares reacquired during the period are weighted for the portion of the period in which the shares were outstanding. Diluted net loss per share has been computed in a manner consistent with that of basic net loss per share while giving effect to all shares of potentially dilutive common stock that were outstanding during the period.

	Three Months Ended March 31,	
	2022	2021
Net loss	\$ (13.2)	\$ (51.0)
Less: Net loss attributable to noncontrolling interests	5.7	18.2
Net loss attributable to Shift4 Payments, Inc.	\$ (7.5)	\$ (32.8)
Adjustment to net loss attributable to common stockholders	—	0.2
Net loss attributable to common stockholders	\$ (7.5)	\$ (32.6)
Numerator - Basic and Diluted:		
Net loss attributable to common stockholders	\$ (7.5)	\$ (32.6)
Allocation of net loss among common stockholders:		
Net loss allocated to Class A common stock	\$ (6.9)	\$ (26.4)
Net loss allocated to Class C common stock	\$ (0.6)	\$ (6.2)
Denominator - Basic and Diluted:		
Weighted average shares of Class A common stock outstanding	52,119,378	42,667,754
Weighted average shares of Class C common stock outstanding	4,573,372	10,009,852
Net loss per share - Basic and Diluted:		
Class A common stock	\$ (0.13)	\$ (0.62)
Class C common stock	\$ (0.13)	\$ (0.62)

The following were excluded from the calculation of diluted net loss per share as the effect would be anti-dilutive.

	Three Months Ended March 31,	
	2022	2021
LLC Interests that convert into potential Class A common shares	26,272,654	29,699,857

Overview

We are a leading independent provider of payment acceptance and payment processing and technology solutions in the United States based on total volume of payments processed. We have achieved our leadership position through decades of solving business and operational challenges facing our customers overall commerce needs. We distribute our services through our network of software partners ("ISVs") and value-added resellers ("VARs"). For our software partners, we offer a single integration to an end-to-end payments offering, a proprietary gateway and a robust suite of technology solutions to enhance the value of their software and simplify payment acceptance. For our merchants, we provide a seamless, unified consumer experience as an alternative to relying on multiple providers to accept card-based payments, while providing the digital tools necessary to provide their end-customers a seamless commerce experience.

At the heart of our business is our **payments platform**. Our payments platform is a full suite of integrated payment products and services that can be used across multiple channels (in-store, online, mobile and tablet-based) and industry verticals, including:

- end-to-end payment processing for a broad range of payment types;
- merchant acquiring;
- proprietary omni-channel gateway capable of multiple methods of mobile, contactless and QR code-based payments;
- complementary software integrations;
- full eCommerce capabilities, including web-store design, hosting, shopping cart management and fulfillment integrations;
- integrated and mobile POS solutions;

- security and risk management solutions; and
- reporting and analytical tools.

In addition, we offer innovative *technology solutions* that go beyond payment processing. Some of our solutions are developed in-house, such as business intelligence and POS software, while others are powered by our network of complementary third-party applications. Our focus on innovation combined with our product-driven culture enables us to create scalable technology solutions that benefit from an extensive library of intellectual property.

We have a *partner-centric distribution* approach. We market and sell our solutions through a diversified network of over 7,000 software partners, which consists of ISVs and VARs. ISVs are technology providers that develop commerce-enabling software suites with which they can bundle our payments platform. VARs are organizations that provide distribution support for ISVs and act as trusted and localized service providers to merchants by providing them with software and services. Together, our ISVs and VARs provide us immense distribution scale and provide our merchants with front-line service and support.

Our end-to-end payments offering combines our payments platform, including our proprietary gateway and breadth of software integrations, and our suite of technology solutions to create a compelling value proposition for our merchants. Our end-to-end payment volume was \$13.4 billion and \$8.0 billion for the three months ended March 31, 2022 and 2021, respectively. This end-to-end payment volume contributed approximately 69% and 61% of gross revenue less network fees for the three months ended March 31, 2022 and 2021, respectively.

Our merchants range from small to medium sized businesses (“SMBs”) to large enterprises across numerous verticals including food and beverage, hospitality, stadiums and arenas, gaming, specialty retail, non-profits and eCommerce.

Recent Developments

Caring with Crypto

In March 2022, we announced the launch of the “Caring with Crypto” campaign to raise over \$20.0 million for nonprofit organizations on The Giving Block, Inc.’s (“The Giving Block”) cryptocurrency (“crypto”) fundraising platform. Our Founder will personally match up to \$10.0 million in crypto donations by existing and new non-profit customers of The Giving Block.

Stock Repurchases

In the three months ended March 31, 2022, we repurchased 301,510 shares of Common stock for \$17.2 million, including commissions paid, at an average price paid of \$56.78 per share, which is recorded as “Treasury stock” in the accompanying unaudited Condensed Consolidated Balance Sheets. As of March 31, 2022, approximately \$61.8 million remained available for future purchases under the program. In April 2022, we repurchased 1,126,277 shares of Common stock for \$61.3 million, including commissions paid, at an average price paid of \$54.39 per share. See Note 18 to the accompanying unaudited condensed consolidated financial statements for more information and Part II, Item 2. “Unregistered Sales of Equity Securities and Use of Proceeds.”

Recent Acquisition

The Giving Block

On February 28, 2022, we acquired The Giving Block for \$106.9 million of total purchase consideration, net of cash acquired. The Giving Block is a cryptocurrency donation marketplace that the Company expects to accelerate its growth in the non-profit sector with significant cross-sell potential. See Note 3 to the accompanying unaudited condensed consolidated financial statements for more information.

Pending Acquisition

Finaro

On March 1, 2022, we entered into a definitive agreement to acquire Credorax, Inc. d/b/a Finaro (“Finaro”) for approximately \$200.0 million in cash on hand, \$325.0 million in shares of our Class A common stock and a performance-based earnout of up to \$50.0 million in shares of our Class A common stock. Consummation of the merger is subject to regulatory approvals, which we expect to receive in the fourth quarter of 2022. Finaro is a cross-border eCommerce platform and bank specializing in solving complex payment problems for multi-national merchants that we believe will accelerate our growth in international markets.

COVID-19 Pandemic Update

While great progress has been made in the fight against the COVID-19 pandemic, the pandemic remains a global challenge and continues to impact international travel and corporate travel patterns, both of which remain below pre-pandemic levels. The Omicron variant began to adversely impact our processing volumes in December 2021, but by full-month March 2022, end-to-end volumes had recovered and exceeded volumes in the prior year period. However, our financial performance could be adversely impacted by any local or government-imposed pandemic restrictions, although we are currently unable to predict the extent to which the COVID-19 pandemic may adversely impact our future business operations, financial performance and results of operations. For a further discussion of the risks, uncertainties and actions taken in response to COVID-19, see the sections entitled “Risk Factors” in Part I, Item 1A. and “Human Capital” in Part I, Item 1. in our 2021 Form 10-K/A.

Factors Impacting Our Business and Results of Operations

In general, our results of operations are impacted by factors such as adoption of software solutions that are integrated with our payment solutions, continued investment in our core capabilities, ongoing pursuit of strategic acquisitions, and macro-level economic trends.

Increased adoption of software-integrated payments. We primarily generate revenue through fees assessed on end-to-end payment volume initiated through our integrated software partners. These fees include volume-based payments, transaction fees and subscription fees for software and technology solutions. We expect to grow this volume by attracting new integrated software partners through our market-leading and innovative solutions. These integrated software partners have proven to be an effective and efficient way of acquiring new merchants and servicing these relationships.

Continued focus on converting our gateway-only customers to our end-to-end payments offering. Currently, a large percentage of our merchant base relies only on our proprietary gateway technology solution to process card-based payments. However, as more of these gateway-only merchants choose to also adopt our end-to-end payment solutions, our revenue per merchant and merchant retention are expected to increase given the fees we generate on end-to-end payment processing services are significantly higher than the per transaction fees we earn on gateway-only services.

Mix of our merchant base. We continue to experience a shift to higher average revenue and higher average volume per merchant. The revenue and volume contribution of each merchant within our portfolio is affected by several factors, including the amount of payment volume processed per merchant, the industry vertical in which the merchant operates, and the number of solutions implemented by the merchant. The size and sophistication of our average merchant continues to increase and we may experience shifts in the average revenue per merchant and the weighted average pricing of the portfolio.

Ability to attract and retain software partners. A key pillar of our *Shift4 Model* is our partner-centric distribution approach. We work with our software partners who rely on our suite of payment-related technology solutions to simplify the commerce needs of their end clients. Our ability to attract and retain our software partners is essential for our future growth and our ability to service our existing base of merchants. To this end, it is critical we maintain our product leadership through continued investment in innovative technology solutions as a means to ensure we retain our current software partners while attracting new software partners.

Investment in product, distribution and operations. We make significant investments in both new product development and existing product enhancements, such as mobile point-of-sale, cloud enablement for our software partners’ existing systems, and contactless payments, including QR code based mobile payment technologies. New product features and functionality are brought to market through varied distribution and promotional activities including collaborative efforts with industry leading software providers, trade shows, and customer conferences. Further, we will continue to invest in operational support in order to maintain service levels expected by our merchant customers. We believe these investments in product development and software integrations will lead to long-term growth and profitability.

Pursuit of strategic acquisitions. From time to time, we may pursue acquisitions as part of our ongoing growth strategy that includes adding complementary technology capabilities to service our base of customers and adding critical sales and support capabilities within a specific industry vertical or geography. While these acquisitions are intended to add long-term value, in the short term they may add redundant operating expenses or additional carrying costs until the underlying value is unlocked.

Economic conditions and resulting consumer spending trends. Changes in macro-level consumer spending trends, including as a result of the COVID-19 pandemic, could affect the amount of volume processed on our platform, thus resulting in fluctuations in our quarterly reported revenue. Our quarterly revenue is also impacted by seasonal, consumer spending habit patterns, which historically have resulted in higher volumes and revenue being reported in our second and third fiscal quarters.

Key Financial Definitions

The following briefly describes the components of revenue and expenses as presented in the accompanying unaudited Condensed Consolidated Statements of Operations.

Gross revenue consists primarily of payments-based revenue and subscription and other revenues:

Payments-based revenue includes fees for payment processing services and gateway services. Payment processing fees are primarily driven as a percentage of end-to-end payment volume. They may also have a fixed fee, a minimum monthly usage fee and a fee based on transactions. Gateway services, data encryption and tokenization fees are primarily driven by per transaction fees as well as monthly usage fees.

Subscription and other revenues include software as a service (“SaaS”) fees for point-of-sale systems and terminals provided to merchants and our Shift4Shop eCommerce platform. Point-of-sale and terminal SaaS fees are assessed based on the type and quantity of equipment deployed to the merchant. Shift4Shop SaaS fees are based on the eCommerce platform chosen by the merchant. SaaS fees also include statement fees, fees for our proprietary business intelligence software, annual fees, regulatory compliance fees and other miscellaneous services such as help desk support and warranties on equipment. Subscription and other revenues also includes revenue derived from software license sales, hardware sales, third-party residuals and fees charged for technology support.

Cost of sales consists of interchange and processing fees, residual commissions, equipment and other costs of sales:

Interchange and processing fees represent payments to card issuing banks and assessments paid to card associations based on transaction processing volume. These also include fees incurred by third-parties for data transmission and settlement of funds, such as processors and sponsor banks.

Residual commissions represent monthly payments to third-party resellers, including ISVs. These costs are typically based on a percentage of payment-based revenue.

Equipment represents our costs of devices that are purchased by the merchant.

Other costs of sales includes amortization of capitalized software development costs, capitalized software, acquired technology and capitalized customer acquisition costs. It also includes incentives and shipping and handling costs related to the delivery of devices. Capitalized software development costs are amortized using the straight-line method on a product-by-product basis over the estimated useful life of the software. Capitalized software, acquired technology and capitalized acquisition costs are amortized on a straight-line basis in accordance with our accounting policies.

General and administrative expenses consist primarily of compensation, benefits and other expenses associated with corporate management, finance, human resources, shared services, information technology and other activities.

Depreciation and amortization expense consists of depreciation and amortization expenses related to merchant relationships, trademarks and trade names, residual commission buyouts, equipment, leasehold improvements, and other intangible assets and property, plant and equipment. We depreciate and amortize our assets on a straight-line basis in accordance with our accounting policies. Leasehold improvements are depreciated over the lesser of the estimated life of the leasehold improvement or the remaining lease term. Maintenance and repairs, which do not extend the useful life of the respective assets, are charged to expense as incurred. Intangible assets are amortized on a straight-line basis over their estimated useful lives which range from two years to twenty years.

Professional fees consists of costs incurred for accounting, tax, legal, and consulting services.

Advertising and marketing expenses relate to costs incurred to participate in industry tradeshows and dealer conferences, advertising initiatives to build brand awareness, and expenses to fulfill loyalty program rewards earned by software partners.

Restructuring expenses relate to strategic initiatives we have taken that include, but are not limited to, severance or separation costs and other exit and disposal costs. These expenses are typically not reflective of our ongoing operations.

Transaction-related expenses relate to debt issuance or modification costs that are not capitalizable. These expenses are typically not reflective of our ongoing operations.

Loss on extinguishment of debt represents losses recorded for unamortized capitalized financing costs associated with debt prepayments.

Other income, net primarily consists of other non-operating items.

Interest expense consists of interest costs incurred on our borrowings and amortization of capitalized financing costs.

Income tax benefit (provision) represents federal, state and local taxes based on income in multiple domestic jurisdictions.

Net loss attributable to noncontrolling interests arises from net loss from the non-owned portion of businesses where we have a controlling interest but less than 100% ownership. This represents the noncontrolling interests in Shift4 Payments, LLC and its consolidated subsidiaries, which is comprised of the loss allocated to Continuing Equity Owners as a result of their proportional ownership of LLC Interests.

We have changed the presentation of this table from the presentation in the Original Form 10-Q to remove the “Gross profit” line item and update the “Other costs of sales” line item to indicate it is exclusive of depreciation and amortization expense shown separately for the three months ended March 31, 2022 and 2021.

(a) Depreciation and amortization expense includes depreciation of equipment under lease of \$7.0 million and \$4.5 million for the three months ended March 31, 2022 and 2021, respectively.

Gross revenue

Gross revenue was \$401.9 million for the three months ended March 31, 2022, compared to \$239.3 million for the three months ended March 31, 2021, an increase of \$162.6 million or 67.9%. Gross revenue is comprised of payments-based revenue and subscription and other revenues.

Payments-based revenue was \$371.5 million for the three months ended March 31, 2022, compared to \$215.9 million for the three months ended March 31, 2021, an increase of \$155.6 million or 72.1%. The increase in payments-based revenue was primarily driven by the increase in end-to-end payment volume of \$5.4 billion, or 68%, for the three months ended March 31, 2022, compared to the three months ended March 31, 2021.

Subscription and other revenues were \$30.4 million for the three months ended March 31, 2022, compared to \$23.4 million for the three months ended March 31, 2021, an increase of \$7.0 million or 29.9%. The increase in subscription and other revenues is driven primarily by the VenueNext, Postec and The Giving Block acquisitions, which collectively contributed \$6.0 million more to subscription and other revenues in the three months ended March 31, 2022, compared to the three months ended March 31, 2021. In addition, software license sales increased \$0.7 million for the three months ended March 31, 2022, compared to the three months ended March 31, 2021.

Network fees

Network fees were \$253.1 million for the three months ended March 31, 2022, compared to \$141.8 million for the three months ended March 31, 2021, an increase of \$111.3 million or 78.5%. This increase is correlated with the increase in end-to-end payment volume as described above.

Gross revenue less network fees was \$148.8 million for the three months ended March 31, 2022, compared to \$97.5 million for the three months ended March 31, 2021, an increase of \$51.3 million or 52.6%. The increase in gross revenue less network fees was largely correlated with the increase in end-to-end payment volume. See “— Key performance indicators and non-GAAP measures” for a reconciliation of gross profit to gross revenue less network fees.

Other costs of sales

Other costs of sales was \$64.2 million for the three months ended March 31, 2022, compared to \$45.7 million for the three months ended March 31, 2021, an increase of \$18.5 million, or 40.5%. This increase was primarily a result of:

- higher residual commissions, which increased other costs of sales \$16.2 million, were driven by the growth in gross revenue less network fees;
- higher variable costs associated with processing fees of \$2.3 million;
- the VenueNext, Postec and The Giving Block acquisitions which collectively increased other cost of sales \$1.8 million in the three months ended March 31, 2022;
- higher capitalized acquisition cost amortization, which increased other costs of sales \$1.2 million, related to deal bonuses paid to VARs to obtain processing contracts;
- higher equipment sales, which increased other costs of sales \$0.6 million; and
- higher capitalized software development amortization, which increased other costs of sales \$0.6 million; partially offset by:
- higher than normal chargeback losses during the three months ended March 31, 2021 driven by the business failure of one merchant causing \$5.2 million in estimated unrecoverable chargeback transactions.

General and administrative expenses

General and administrative expenses were \$66.2 million for the three months ended March 31, 2022, compared to \$53.5 million for the three months ended March 31, 2021, an increase of \$12.7 million or 23.7%. The increase was primarily due to higher employee-related expenses of \$6.4 million in the three months ended March 31, 2022, compared to the three months ended March 31, 2021, as a result of our continued growth and expansion, as well as higher equity-based compensation expense of \$2.2 million in the three months ended March 31, 2022. In addition, the acquisitions of VenueNext, Postec and The Giving Block collectively increased general and administrative expenses \$3.3 million in the three months ended March 31, 2022.

Depreciation and amortization expense

Depreciation and amortization expense was \$17.3 million for the three months ended March 31, 2022, compared to \$15.4 million for the three months ended March 31, 2021, an increase of \$1.9 million or 12.3%. The increase was primarily due to higher depreciation for equipment under lease of \$2.5 million in the three months ended March 31, 2022, compared to the three months ended March 31, 2021.

Professional fees

Professional fees were \$8.7 million for the three months ended March 31, 2022, compared to \$6.2 million for the three months ended March 31, 2021, an increase of \$2.5 million or 40.3%. The increase was due to higher acquisition-related costs.

Advertising and marketing expenses

Advertising and marketing expenses were \$2.7 million for the three months ended March 31, 2022, compared to \$20.1 million for the three months ended March 31, 2021, a decrease of \$17.4 million or 86.6%. The decrease was primarily due to expenses in the three months ended March 31, 2021 related to the integration of 3dcart and its rebranding as Shift4Shop that were nonrecurring in nature. This was partially offset by the VenueNext, Postec and The Giving Block acquisitions, which collectively increased advertising and marketing expenses \$0.5 million in the three months ended March 31, 2022.

Transaction-related expenses

Transaction-related expenses were \$1.4 million for the three months ended March 31, 2022. These expenses are associated with a consent solicitation for the 2026 Senior Notes in March 2022. See Note 11 in the notes to the accompanying unaudited condensed consolidated financial statements for more information.

Interest expense

Interest expense was \$7.9 million for the three months ended March 31, 2022, compared to \$6.5 million for the three months ended March 31, 2021, an increase of \$1.4 million or 21.5%. The increase in interest expense was primarily due to the issuance of the Convertible Senior Notes due 2027 (“2027 Convertible Notes”) in July 2021.

Income tax benefit (provision)

The effective tax rate for the three months ended March 31, 2022 was (32.0)%, compared to the effective tax rate for the three months ended March 31, 2021 of 1.6%.

The effective tax rate for the three months ended March 31, 2022 was different than the U.S. federal statutory income tax rate of 21% primarily due to the loss allocated to the noncontrolling interest, the full valuation allowance on Shift4 Payments, Inc. and VenueNext, Inc. in the United States, and a \$6.4 million income tax benefit related to the valuation allowance release due to acquired deferred tax liabilities from The Giving Block. The effective tax rate for the three months ended March 31, 2021 was different than the U.S. federal statutory income tax rate of 21% primarily due to the loss allocated to the noncontrolling interest and the full valuation allowance on Shift4 Payments, Inc. and VenueNext, Inc. in the United States.

Net loss attributable to noncontrolling interests

Net loss attributable to noncontrolling interests of Shift4 Payments, LLC was a loss of \$5.7 million for the three months ended March 31, 2022, compared to a loss of \$18.2 million for the three months ended March 31, 2021.

Key performance indicators and non-GAAP measures

The following table sets forth our key performance indicators and non-GAAP measures for the periods presented.

<i>(in millions)</i>	Three Months Ended March 31,	
	2022	2021
End-to-end payment volume	\$ 13,420.9	\$ 7,986.8
Gross revenue less network fees	148.8	97.5
EBITDA	17.6	(18.4)
Adjusted EBITDA	44.3	22.2

End-to-end payment volume

End-to-end payment volume is defined as the total dollar amount of card payments that we authorize and settle on behalf of our merchants plus total cryptocurrency amounts transacted, translated at the spot price to U.S. dollars. This volume does not include volume processed through our gateway-only merchants.

Gross revenue less network fees, EBITDA and Adjusted EBITDA

We use supplemental measures of our performance which are derived from our consolidated financial information but which are not presented in our consolidated financial statements prepared in accordance with GAAP. These non-GAAP financial measures include: gross revenue less network fees, which includes interchange and assessment fees; earnings before interest expense, income taxes, depreciation, and amortization (“EBITDA”); and Adjusted EBITDA. Gross revenue less network fees represents a key performance metric that management uses to measure changes in the mix and value derived from our customer base as we continue to execute our strategy to expand our reach to serve larger, complex merchants. Adjusted EBITDA is the primary financial performance measure used by management to evaluate its business and monitor results of operations. Adjusted EBITDA represents EBITDA further adjusted for certain non-cash and other nonrecurring items that management believes are not indicative of ongoing operations. These adjustments include acquisition, restructuring and integration costs, equity-based compensation expense and other nonrecurring items. The financial impact of certain elements of these activities is often large relative to the Company's overall financial performance and can adversely affect the comparability of our operating results and investors' ability to analyze the business from period to period.

We use non-GAAP financial measures to supplement financial information presented on a GAAP basis. We believe that excluding certain items from our GAAP results allows management to better understand our consolidated financial performance from period to period and better project our future consolidated financial performance as forecasts are developed at a level of detail different from that used to prepare GAAP-based financial measures. Moreover, we believe these non-GAAP financial measures provide our stakeholders with useful information to help them evaluate our operating results by facilitating an enhanced understanding of our operating performance and enabling them to make more meaningful period to period comparisons. There are limitations to the use of the non-GAAP financial measures presented in this Quarterly Report on Form 10-Q/A. Our non-GAAP financial measures may not be comparable to similarly titled measures of other companies. Other companies, including companies in our industry, may calculate non-GAAP financial measures differently than we do, limiting the usefulness of those measures for comparative purposes.

The non-GAAP financial measures are not meant to be considered as indicators of performance in isolation from or as a substitute for net income (loss) prepared in accordance with GAAP, and should be read only in conjunction with financial information presented on a GAAP basis. Reconciliations of gross revenue less network fees, EBITDA and Adjusted EBITDA to its most directly comparable GAAP financial measure are presented below. We encourage you to review the reconciliations in conjunction with the presentation of the non-GAAP financial measures for each of the periods presented. In future fiscal periods, we may exclude such items and may incur income and expenses similar to these excluded items.

Reconciliations of gross revenue less network fees, EBITDA and Adjusted EBITDA

The tables below provide reconciliations of gross profit to gross revenue less network fees and net loss on a consolidated basis for the periods presented to EBITDA and Adjusted EBITDA.

Gross revenue less network fees:

<i>(in millions)</i>	Three Months Ended March 31,	
	2022	2021
Gross revenue	\$ 401.9	\$ 239.3
Less: Network fees	(253.1)	(141.8)

(a) The determination of gross profit is inclusive of depreciation of equipment under lease that is included within Depreciation and amortization expense in the Condensed Consolidated Statements of Operations. The table reflects the determination of gross profit for all periods presented. Although gross profit is no longer presented on the Condensed Consolidated Statements of Operations, it represents the most comparable metric calculated under U.S. GAAP to non-GAAP gross revenues less network fees.

Liquidity and Capital Resources

Overview

We have historically sourced our liquidity requirements primarily with cash flow from operations and, when needed, with borrowings under our Credit Facilities or equity transactions. The principal uses for liquidity have been debt service, capital expenditures (including research and development) and funds required to finance acquisitions. Given the impact the COVID-19 pandemic has had on the restaurant and hospitality industries, we continue to evaluate and take action, as necessary, to preserve adequate liquidity and ensure we can continue to operate during these uncertain times.

We do not intend to pay cash dividends on our Class A common stock in the foreseeable future. Shift4 Payments, Inc. is a holding company that does not conduct any business operations of its own. As a result, Shift4 Payments, Inc.'s ability to pay cash dividends on its common stock, if any, is dependent upon cash dividends and distributions and other transfers from Shift4 Payments, LLC. The amounts available to Shift4 Payments, Inc. to pay cash dividends are subject to the covenants and distribution restrictions in its subsidiaries' agreements governing its indebtedness, including covenants in such agreements providing that the payments of dividends or other distributions are subject to annual limitations based on our market capitalization.

The following table sets forth summary cash flow information for the periods presented.

<i>(in millions)</i>	Three Months Ended March 31,	
	2022	2021
Net cash provided by (used in) operating activities (a)	\$ 30.8	\$ (7.1)
Net cash used in investing activities (a)	(37.6)	(72.1)
Net cash used in financing activities	(35.7)	(3.7)
Total	\$ (42.5)	\$ (82.9)

(a) Amounts are restated. See Note 2 for more information.

Operating activities

Net cash provided by (used in) operating activities consists of net loss adjusted for certain non-cash items and changes in other assets and liabilities.

For the three months ended March 31, 2022, net cash provided by operating activities of \$30.8 million was primarily a result of:

- net loss of \$13.2 million, which is adjusted for non-cash expenses, including depreciation and amortization of \$29.1 million, equity-based compensation of \$16.9 million, deferred income taxes of \$(6.3) million and provision for bad debts of \$3.0 million; partially offset by:
- changes in operating assets and liabilities of \$(0.9) million, which includes \$4.8 million of additional funds deposited in our sponsor bank merchant settlement account to facilitate gross card transaction deposits for those customers we bill on a monthly, versus a daily basis.

For the three months ended March 31, 2021, net cash used in operating activities of \$7.1 million was primarily a result of:

- net loss of \$51.0 million, adjusted for non-cash expenses, including depreciation and amortization of \$25.3 million, equity-based compensation of \$14.0 million, provision for bad debts of \$6.7 million and amortization of capitalized financing cost of \$1.2 million; plus
- changes in operating assets and liabilities of \$(3.9) million, which is primarily a result of \$8.8 million of funds deposited in our sponsor bank merchant settlement account to facilitate gross card transaction deposits for those customers we bill on a monthly, versus a daily basis, partially offset by higher deferred revenue of \$6.6 million primarily due to the timing of annual compliance fees billed to our merchants.

Investing activities

Net cash used in investing activities includes cash paid for acquisitions, purchases of future commission streams of our software partners, purchases of property, plant and equipment, purchases of equipment to be leased, capitalized software development costs, and investments in non-marketable securities.

Net cash used in investing activities was \$37.6 million for the three months ended March 31, 2022, an increase of \$34.5 million compared to net cash used in investing activities of \$72.1 million for the three months ended March 31, 2021. This increase was primarily the result of:

- the acquisition of The Giving Block in March 2022 for \$106.9 million in aggregate purchase consideration, including \$12.6 million in cash, net of cash acquired of \$4.2 million;
- higher capitalized software development costs of \$4.4 million;
- higher residual commission buyouts of \$3.8 million; partially offset by:
- the acquisition of VenueNext in March 2021 for \$68.5 million in aggregate purchase consideration, including \$40.6 million in cash, net of cash acquired of \$1.6 million; and
- the investment in SpaceX of \$16.0 million in the three months ended March 31, 2021.

Financing activities

Net cash used in financing activities was \$35.7 million for the three months ended March 31, 2022, an increase of \$32.0 million, compared to net cash used in financing activities of \$3.7 million for the three months ended March 31, 2021. This increase was primarily the result of:

- payments for the repurchase of common stock of \$18.7 million during the three months ended March 31, 2022;
- higher employee taxes paid on vested RSUs of \$9.8 million during the three months ended March 31, 2022 compared to three months ended March 31, 2021; and
- payments associated with solicitation for the 2026 Senior Notes in March 2022 of \$4.5 million.

Convertible Notes, Senior Notes and Credit Facilities

As of March 31, 2022 and December 31, 2021, we had \$1,772.5 million total principal amount of debt outstanding, including \$690.0 million of 2025 Convertible Notes, \$632.5 million of 2027 Convertible Notes and \$450.0 million of 2026 Senior Notes. See Note 11 to the accompanying unaudited condensed consolidated financial statements for more information about our debt.

On March 17, 2022, we announced the expiration of our Consent Solicitation Statement (the “Consent Solicitation Statement”), dated as of March 11, 2022, to amend the indenture related to the 2026 Senior Notes. In connection with the results of the Consent Solicitation Statement, we received the requisite consents to amend the indenture governing the 2026 Senior Notes and entered into a supplemental indenture to allow for the repurchase of capital stock as part of the Market Capitalization exception under the original indenture.

Revolving Credit Facility

The Revolving Credit Facility has a borrowing capacity of \$99.5 million, net of a \$0.5 million letter of credit. As of March 31, 2022, we had no outstanding borrowings under the Revolving Credit Facility.

Stock repurchases

On December 16, 2021, our Board of Directors authorized the commencement of a stock repurchase program. The stock repurchase program authorizes us to repurchase up to \$100.0 million of our Class A common stock, par value \$0.0001 (“Common Stock”) and will expire on December 31, 2022.

In the first quarter of 2022, we repurchased 301,510 shares of Common stock for \$17.2 million, including commissions paid, at an average price paid of \$56.78 per share, which is recorded as “Treasury stock” on our unaudited Condensed Consolidated Balance Sheets. As of March 31, 2022, approximately \$61.8 million remained available for future purchases under the program.

In April 2022, we repurchased 1,126,277 shares of Common stock for \$61.3 million, including commissions paid, at an average price paid of \$54.39 per share. See Note 18 to the accompanying unaudited condensed consolidated financial statements for more information.

Cash Requirements

Our material cash requirements include the following contractual obligations.

Debt

As of March 31, 2022, we had \$1,772.5 million of fixed rate debt outstanding with maturities beginning in 2025. Future interest payments associated with the outstanding debt total \$121.5 million with \$24.0 million payable within twelve months.

Leases

As of March 31, 2022, we are obligated under non-cancellable operating leases for our premises, which expire through November 2030. Rent expense incurred under operating leases, which totaled \$1.4 million for the three months ended March 31, 2022, is included in “General and administrative expenses” in our accompanying unaudited condensed consolidated statements of operations.

Critical Accounting Estimates

Our discussion and analysis of our historical financial condition and results of operations for the periods described is based on our audited consolidated financial statements, and our accompanying unaudited condensed consolidated financial statements, each of which have been prepared in accordance with U.S. GAAP. The preparation of these historical financial statements in conformity with U.S. GAAP requires management to make estimates, assumptions and judgments in certain circumstances that affect the reported amounts of assets, liabilities and contingencies as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting periods. We evaluate our assumptions and estimates on an ongoing basis. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Additionally, the full impact of the COVID-19 pandemic is unknown and cannot be reasonably estimated. However, we have made accounting estimates for our allowance for doubtful accounts, valuation of our contingent liabilities, other intangible assets and goodwill based on the facts and circumstances available as of the reporting date. Actual results may differ from these estimates under different assumptions or conditions.

We have provided a summary of our significant accounting policies in Note 1 in the notes to the accompanying unaudited condensed consolidated financial statements. The following critical accounting discussion pertains to accounting policies management believes are most critical to the portrayal of our historical financial condition and results of operations and that require significant, difficult, subjective or complex judgments. Other companies in similar businesses may use different estimation policies and methodologies, which may impact the comparability of our financial condition, results of operations and cash flows to those of other companies.

New accounting pronouncements

For information regarding new accounting pronouncements, and the impact of these pronouncements on our unaudited condensed consolidated financial statements, if any, refer to Note 1 in the notes to the accompanying unaudited condensed consolidated financial statements.

JOBS Act

Prior to December 31, 2021, we were an emerging growth company (“EGC”) as defined by the JOBS Act. The JOBS Act provides that an EGC can take advantage of the extended transition period for complying with new or revised accounting standards. This allows an EGC to delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We had elected to avail ourselves of this exemption prior to December 31, 2021, when we were an EGC, and as a result, our financial statements prior to that date may not have been comparable to the financial statements of issuers who are required to comply with the effective dates for new or revised accounting standards that are applicable to public companies. As of December 31, 2021, we are no longer an EGC.

Subject to certain conditions, as an EGC we also were able to rely on certain of the exemptions and reduced reporting requirements of the JOBS Act, including without limitation, from providing an auditor’s attestation report on our system of internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002 and from complying with any requirement that may be adopted by the Public Company Accounting Oversight Board regarding mandatory audit firm rotation or a supplement to the auditor’s report providing additional information about the audit and the financial statements, known as the auditor discussion and analysis. Because we no longer qualify as an EGC, we are no longer able to take advantage of the extended transition period for the adoption of certain accounting standards or of the reduced disclosure and other benefits available to EGCs, including our exemption from providing our auditor’s attestation on our system of internal control over financial reporting.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Our future income, cash flows and fair values relevant to financial instruments are subject to risks relating to interest rates.

As of March 31, 2022, we had approximately \$1,772.5 million of fixed rate debt outstanding pursuant to the Notes, with a fair value of \$1,716.8 million, none of which was subject to an interest rate hedge. Since these Notes bear interest at fixed rates, they do not result in any financial statement risk associated with changes in interest rates. However, the fair value of these Notes fluctuates when interest rates change.

We also have a Revolving Credit Facility available to us with available borrowing capacity of \$99.5 million, net of a \$0.5 million letter of credit. We are obligated to pay interest on loans under the Revolving Credit Facility as well as other customary fees, including an upfront fee and an unused commitment fee based on our debt rating. Borrowings under the Revolving Credit Facility, if any, bear interest at floating rates. As a result, we are exposed to the risk related to fluctuations in interest rate to the extent of our borrowings. As of March 31, 2022 and December 31, 2021, we had no amounts outstanding under the Revolving Credit Facility. See “Liquidity and Capital Resources” in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in Part I, Item 2. of this Quarterly Report on Form 10-Q/A and Note 11 in the notes to the accompanying unaudited condensed consolidated financial statements for more information.

ITEM 4. CONTROLS AND PROCEDURES

Limitations on Effectiveness of Disclosure Controls and Procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our principal executive officer and principal financial officer, evaluated, as of the end of the period covered by this Quarterly Report on Form 10-Q/A, the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act).

Based on that evaluation, our principal executive officer and principal financial officer concluded that, as of March 31, 2022, due to the material weakness in our internal control over financial reporting described below, our disclosure controls and procedures were not effective at the reasonable assurance level. In light of the material weakness, we performed additional analysis as deemed necessary to ensure that our financial statements were prepared in accordance with U.S. generally accepted principles. Accordingly, management concluded that the financial statements included in this Quarterly Report on Form 10-Q/A present fairly in all material respects our financial position, results of operations and cash flows for each of the periods presented.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected on a timely basis.

Management identified a material weakness related to a lack of an effectively designed control activity over the classification of customer acquisition costs within our Consolidated Statements of Cash Flows. The associated error related to the historical classification of customer acquisition costs within our Consolidated Statements of Cash Flows resulted in the restatement of the Company's previously filed consolidated financial statements as of and for the years ended December 31, 2021, 2020 and 2019 and for each of the quarterly periods ended September 30, 2021, March 31, 2022 and June 30, 2022. Additionally, the material weakness could result in a material misstatement of the aforementioned account balances or disclosures that would result in a material misstatement to the annual or interim consolidated financial statements that would not be prevented or detected.

Remediation Plan for the Material Weakness

In order to remediate the material weakness, the Company's management plans to enhance the design of its control activity over the classification of customer acquisition costs within our Consolidated Statements of Cash Flows. The material weakness cannot be considered remediated until the newly designed control activity operates for a sufficient period of time and management has concluded, through testing, that the control is operating effectively.

Changes in Internal Control Over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the three months ended March 31, 2022 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II: OTHER INFORMATION**ITEM 1. LEGAL PROCEEDINGS**

We are, from time to time, party to various claims and legal proceedings arising out of our ordinary course of business, but we do not believe that any of these existing claims or proceedings will have a material effect on our business, consolidated financial condition or results of operations.

ITEM 1A. RISK FACTORS

Investing in our Class A common stock involves a high degree of risk. You should carefully consider the risks described under the heading “Risk Factors” in Part I, Item 1A. of our 2021 Form 10-K/A, the other information in this Quarterly Report on Form 10-Q/A, including our unaudited condensed consolidated financial statements and the related notes, as well as our other public filings with the SEC, before deciding to invest in our Class A common stock. There have been no material changes to the Company’s risk factors previously disclosed in our 2021 Form 10-K/A. The occurrence of any of the events described therein could harm our business, financial condition, results of operations, liquidity or prospects. In such an event, the market price of our Class A common stock could decline, and you may lose all or part of your investment. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS

The following indicates our purchases of Class A common stock during the three months ended March 31, 2022.

Period	Total Number of Shares Purchased	Average Price Paid Per Share	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs (a)	Approximate Dollar Value of Shares that May Yet Be Purchased under the Plans or Programs (in millions)

March 1-31, 2022	55,810	58.11	679,985	61.8
Total	<u>301,510</u>			

(a) On December 16, 2021, the Company announced that its Board of Directors had initiated a stock repurchase program pursuant to which the Company may repurchase up to \$100.0 million of shares of its Class A common stock through December 31, 2022. Repurchases under the program may be made in the open market, in privately negotiated transactions or otherwise, with the amount and timing of repurchases depending on market conditions and corporate needs. Open market repurchases will be structured to occur within the pricing and volume requirements of Rule 10b-18 of the Exchange Act. The Company may also, from time to time, enter into Rule 10b5-1 of the Exchange Act plans to facilitate repurchases of its shares under this authorization. The exact number of shares to be repurchased by the Company is not guaranteed and the program may be suspended, modified, or discontinued at any time at the Company’s discretion and without prior notice.

Article III

MERGER CONSIDERATION; EFFECT OF THE MERGER; CLOSING DELIVERABLES

Section 1.1 Effect on Shares. At the Effective Time, by virtue of the Merger and without any action on the part of the Company, the Parent Group or the holders of any shares or other securities of the Company or Merger Sub:

(a) **Company Shares.** Subject to Section 3.7, each Company Share issued and outstanding immediately prior to the Effective Time, other than any Dissenting Shares (to the extent provided in Section 3.7), will be converted into a right to receive from the Parent Group (without interest), (i) that portion of the Aggregate Consideration (as adjusted herein) to which such Company Share is entitled pursuant to the Distribution Waterfall; and (ii) that portion of Post-Closing Payments to which such Company Share is entitled pursuant to the Distribution Waterfall, in each case less applicable withholding Tax. All Company Shares that have been thus converted as provided in this Section will be automatically cancelled and will cease to exist and no longer be outstanding and the holders thereof will cease to be members of the Company (and shall not be members of the Surviving Corporation) and will cease to have any rights with respect to such Company Shares other than the right to receive their applicable portion of the Aggregate Consideration and the applicable portions, if any, of the Post-Closing Payments, each in accordance with the terms of this Article III. Any Equity Consideration Amount issued in consideration for 102 Shares shall be issued as a share award under the Parent Equity Plan pursuant to the provisions of Section 102(b)(2) and Section 102(b)(3) of the ITO and deposited with the 102 Trustee all in accordance with and subject to obtaining the 102 Israeli Tax Ruling or the Interim 102 Israeli Tax Ruling. The Parties agree that, for the purposes of ensuring the Plan of Merger and Articles of Merger are in customary form and as simple as possible for clearance by the Registrar, the parties will work in good faith and use all reasonable endeavours to ensure that the Plan of Merger filed at Closing contains a clear statement of exactly what portion of the Aggregate Consideration each Ordinary Share (including Ordinary A Shares which will be automatically converted into Ordinary Shares immediately prior to, and conditional upon, the Effective Time in accordance with the Memorandum of Association) shall be converted to at Closing (provided that the Plan of Merger shall also note each share shall be entitled to its applicable portion of any Post-Closing Payments). It is acknowledged that, as the holders of the Ordinary A Shares will receive a greater amount by converting Ordinary A Shares immediately prior to the Effective Time than they would pursuant to Clause 11(a)(ii) of the Memorandum of Association, then (without prejudice to any amounts payable pursuant to Clause 11(a)(i) of the Memorandum of Association, which shall be deemed to become due and payable immediately

prior to conversion) the Ordinary A Shares shall be automatically converted into Ordinary Shares immediately prior to, and conditional upon, the Effective Time pursuant to Clause 11(a)(iv) of the Memorandum.

(b) Merger Sub Shares. At the Effective Time, each ordinary share with a par value of US\$0.01 each of Merger Sub issued and outstanding immediately prior to the Effective Time will be converted into one validly issued, fully paid and non-assessable Ordinary Share and will constitute the only outstanding shares of the Surviving Corporation.

(c) Company Options.

(i) The Company has exercised and will exercise its powers under the Equity Plans so as to ensure Company Options are treated in the manner set out in this clause.

(ii) Immediately prior to the Effective Time, each outstanding Vested Company Option shall, automatically and without any action on the part of the holder thereof, be exchanged for the contractual right to receive from the Parent Group (without interest), (A) that portion of the Aggregate Consideration (as adjusted herein) to which such Vested Option is entitled pursuant to the Distribution Waterfall; and (B) that portion of Post-Closing Payments to which such Vested Option is entitled pursuant to the Distribution Waterfall, in each case less applicable withholding Tax and shall thereafter cease to represent an option to purchase Ordinary Shares or to have any other rights save for the right to receive the foregoing consideration. It is acknowledged that, in accordance with the terms of the Equity Plans, each holder of the Vested Company Options has a contractual right to receive a pro rata portion of the Aggregate Consideration and Post-Closing Payments as if the Vested Company Options had been exercised and Ordinary Shares had been issued, but in all cases less the aggregate exercise price that would have been payable in respect of such issuance. The Company's contractual obligation to ensure the holders of Vested Company Options receive the consideration set-out above shall be satisfied upon payment of the consideration set-out in this Merger Agreement and the Distribution Waterfall. For the avoidance of doubt, any withholding Tax required with respect to the Company Options, other than 102 Company Options and/or 102 Shares, shall be discharged by the Parent retaining Shift4 Payments, Inc.'s Class A shares of common stock that would otherwise be distributed to such holder with a fair market value on the date of such distribution equal to the amount of withholding Tax required to be remitted with respect to such distribution of the Equity Consideration, and Parent agrees to remit the cash amount of any such withholding Taxes to the relevant Taxing authority. For the avoidance of doubt, the contractual right of the holders of Vested Company Options to receive payment in respect of the Vested Company Options shall be separate to any payment made pursuant to clause 11(a) of the Memorandum of Association. Any Equity Consideration Amount issued in consideration for 102 Company Options shall be issued as a share award under the Parent Equity Plan pursuant to the provisions of Section 102(b)(2) and Section 102(b)(3) of the ITO and deposited with the 102 Trustee all in accordance with and subject to obtaining the 102 Israeli Tax Ruling or the Interim 102 Israeli Tax Ruling. For the avoidance of doubt, the contractual right of the holders of 102 Company Options shall be separate to any payment made pursuant to clause 11(a) of the Memorandum of Association.

(iii) At the Effective Time, each outstanding Unvested Company Option shall automatically and without any action on the part of the holder thereof, be cancelled for no consideration and cease to represent an option.

(d) Treatment of Vested Company RSUs. At the Effective Time, each outstanding Vested Company RSU shall, automatically and without any action on the part of the holder thereof, be exchanged for the right to receive from the Parent Group (without interest),

(A) that portion of the Aggregate Consideration (as adjusted herein) to which such cancelled Vested Company RSU is entitled pursuant to the Distribution Waterfall; and (B) and that portion of Post-Closing Payments to which such Vested Company RSU is entitled pursuant to the Distribution Waterfall, in each case less applicable withholding Tax and shall thereafter cease to represent an option to purchase Ordinary Shares or to have any other rights save for the right to receive the foregoing consideration. It is acknowledged that, pursuant to the exercise of the Company's powers under the Equity Plans, the Company has a contractual obligation to ensure the holders of Company RSU's receive the consideration set-out above, which obligation will be satisfied upon payment of the consideration in accordance with this Merger Agreement and the Distribution Waterfall. For the avoidance of doubt, any withholding Tax required with respect to the Company Share Awards, other than with respect to 102 Shares, shall be accomplished by the Parent retaining Shift4 Payments, Inc.'s Class A shares of common stock that would otherwise be distributed to such holder with a fair market value on the date of such distribution equal to the amount of withholding Tax required to be remitted with respect to such distribution of the Company Share Awards and Parent agrees to remit the cash amount of any such withholding Tax to the relevant Taxing authority. For the avoidance of doubt, the contractual right of the holders of Vested Company RSU's to receive payment in respect of the Vested RSU's shall be separate to any payment made pursuant to clause 11(a) of the Memorandum of Association. At the Effective Time, each outstanding Unvested Company Share Award shall automatically and without any action on the part of the holder thereof, be cancelled for no consideration and cease to represent an option.

(e) Treatment of Company Warrant. The parties hereto acknowledge and agree that the Company Warrant (A) may be exercised by the holder by way of cash payment of the exercise price; or (B) may be exercised by the holder by way of a cashless exercise; or (C) may expire and/or be redeemed for a specified redemption price (in each case on the terms and conditions set-out in the Company Warrant) and that, accordingly, the treatment of the Company Warrant pursuant to this Agreement shall depend on the outcome arising pursuant to its terms, in each case less applicable withholding Tax. The parties agree Exhibit N to this Agreement shall apply to the Company Warrant and its treatment pursuant to this Agreement.

(f) Register of Members.

(i) Immediately prior to the Effective Time, the register of members of the Surviving Corporation shall be updated to record the conversion of the Ordinary A Shares set out in Section 3.1(a), any issuances pursuant to the Company Warrant set out in Section 3.1(e) and the Company shall provide a copy of the register of members certified by the registered agent of the Company; and

The Parties agree that the Aggregate Consideration (excluding the Earn-Out Consideration) may exceed \$ 200,000,000 in cash and Equity Consideration Amount subject to and in accordance with the terms of this Agreement. The Aggregate Consideration shall be allocated among the Participating Equity Holders in accordance with this Agreement and the Memorandum of Association (it being noted that holders of Vested Options and Company RSU's have a contractual right to receive consideration as if they received Ordinary Shares (less the exercise price and any withholdings) and are not entitled to any payment made pursuant to clause 11(a) of the Memorandum of Association), as adjusted in accordance with Section 3.5. Notwithstanding anything to the contrary, any deductions and additions to be made pursuant to sections (a) to (e) (inclusive), shall at all times be made without duplication.

(c) In the event that the Shareholders’ Representative disputes the calculation of the Adjusted Merger Consideration set forth in the Closing Date Statement, the Shareholders’ Representative shall notify the Parent Group in writing (the “Shareholders’ Representative Objection Notice”) of the amount, nature and basis of such dispute, within forty five (45) days after receipt of the Closing Date Statement. In the event of such a dispute, (i) any undisputed amounts shall be considered finally determined and be paid pursuant to Section 3.5(e) or Section 3.5(f), as applicable, and (ii) with respect to any disputed amounts, the Parent Group and the Shareholders’ Representative shall first use good faith efforts to resolve such dispute among themselves, and if so resolved, the Closing Date Statement shall be modified as necessary to reflect such resolution and it shall be final and binding upon the parties. If the Parent Group and the Shareholders’ Representative are unable to resolve the dispute within twenty (20) days after delivery of the Shareholders’ Representative Objection Notice, then any remaining items in dispute shall be submitted, as the sole and exclusive method for resolving such disputes, to an independent internationally recognized accounting firm jointly chosen by the Parent Group and the Shareholders’ Representative, which in the absence of an agreement during such 30-day period shall be Deloitte, an independent internationally recognized accounting firm, or if such accounting firm is not able to so act or is conflicted, such other of the “Big Four” accounting firms upon which Parent Group and the Shareholders’ Representative shall mutually agree within seven (7) Business Days following the end of such 20-day period, or in the absence of such agreement within seven (7) Business Days of either party’s request following the end of such 20-day period, designated by the then the head of the Institute of Chartered Accountants in the United Kingdom upon the application of either party (the “Independent Accountant”). resolved by the Independent Accountant in a manner adverse to such parties. For example, if the Parent Group's position is that the adjustment owed is \$300, the Shareholders' Representative's position is that the adjustment owed is \$100 and the Independent Accountant's finding that the adjustment owed is \$250, then the Parent Group shall pay 25% ($\$300 - \$250 / \$300 - \100) of the Independent Accountant's fees and expenses and the Participating Equity Holders shall pay 75% ($\$250 - \$100 / \$300 - \100) of the Independent Accountant's fees and expenses. The Parent Group and the Shareholders' Representative, on behalf of the Participating Equity Holders, will each bear their own costs in connection with disputes relating to the Closing Date Statement. Any payments by or to the Participating Equity Holders under this Section 3.5(c) shall be treated as an adjustment to the Adjusted Merger Consideration.

(d) Immediately upon the expiration of the forty five (45) day period for giving the Shareholders' Representative Objection Notice, if no such notice is given, or upon notification by the Shareholders' Representative to the Parent Group that no such notice will be given, the Parent Group calculations set forth in the Closing Date Statement shall be final and binding on the Participating Equity Holders and the Parent Group and shall not be subject to dispute or review.

Such joint written instruction shall be given no later than two (2) Business Days after such final determination, and the Escrow Agent shall release such amount by wire transfer of immediately available funds to the applicable accounts within three (3) Business Days thereafter; and

For purposes of clarification, in the event that the Estimated Closing Consideration does not exceed the Adjusted Merger Consideration (as set forth in the Closing Date Statement or as finally determined pursuant to Section 3.5(c), as the case may be) by more than the De Minimis Amount, then no adjustments shall be made pursuant to this Section 3.5(e).

(f) In the event that the Adjusted Merger Consideration (as set forth in the Closing Date Statement or as finally determined pursuant to Section 3.5(c), as the case may be), exceeds the Estimated Closing Consideration by more than the De Minimis Amount, then (i) an amount equal to the full amount by which the Adjusted Merger Consideration exceeds the Estimated Closing Consideration shall be paid by the Parent Group to the Paying Agent no later than seven (7) Business Days after such final determination by wire transfer of immediately available funds to the Paying Agent for distribution to the Participating Equity Holders in accordance with the Paying Agent Agreement; and (ii) the Parent Group and the Shareholders' Representative shall issue a joint written instruction to the Escrow Agent to release the entire

Adjustment Escrow Amount to the Paying Agent, for further distribution to the Participating Equity Holders in accordance with the Paying Agent Agreement.

For purposes of clarification, in the event that the Adjusted Merger Consideration (as set forth in the Closing Date Statement or as finally determined pursuant to Section 3.5(c), as the case may be) does not exceed the Estimated Closing Consideration by more than the De Minimis Amount, then no adjustments shall be made pursuant to this Section 3.5(f).

(g) Illustrative Example. For purposes of illustration only, Exhibit C sets forth example calculations of the adjustments required to be made pursuant to Section 3.5(e) and Section 3.5(f).

(h) Visa Shares. Post-Closing and immediately upon release of any Visa Shares available for sale (and in any event within no later than 30 Business Days thereafter), the Parent Group undertakes to promptly sell such released portions of the Visa Shares and cause the Group Companies to pay the consideration actually received from the sale of the Visa Shares (as and when the sale of the Visa Shares is completed in accordance with the details set forth in Exhibit R) after making deductions for Tax payments by depositing the amounts to the Paying Agent and/or the Israeli Paying Agent for the purposes of distribution to the Participating Equity Holders, as full and final discharge of any amounts owed by the Group Companies to the Participating Equity Holders in connection with the Visa Shares. Payment of such consideration as aforesaid shall be within 30 Business Days of each applicable sale.

Section 1.7 Dissenting Shares. At the Effective Time, to the maximum extent permitted by law, all Dissenting Shares shall automatically be cancelled and shall cease to exist or be outstanding, and each Dissenting Shareholder shall cease to be a member of the Company (and shall not be a member of the Surviving Corporation) and shall cease to have any rights thereto (including any right to receive such holder's portion of the Aggregate Consideration pursuant to Section 3.1(a) and the Post-Closing Payments), subject to and except for such rights as are granted under Section 179 of the BVI Act including, for the avoidance of doubt, the right to receive the fair-value in respect of the Dissenting Shares.

Section 1.8 Appraisal Rights; No Further Ownership Rights. No Person who has validly exercised their rights of dissent pursuant to Section 179 of the BVI Act shall be entitled to receive the Aggregate Consideration or any Post-Closing Payment unless and until the holder thereof shall have effectively withdrawn or lost such holder's right to appraisal under Section 179 of the BVI Act, and any Dissenting Shareholder shall be entitled to receive only the payment provided by Section 179 of the BVI Act with respect to Ordinary Shares owned by such Dissenting Shareholder immediately prior to the Closing. If any Dissenting Shareholder shall have effectively withdrawn or lost the right to dissent with respect to any Ordinary Shares, such Ordinary Shares shall thereupon be treated as though such Ordinary Shares had been converted, as of the Effective Time, into the right to receive the applicable portion of the Aggregate Consideration and any Post-Closing Payments. The Company shall give the Parent Group (i) notice of any dissent, written demands for appraisal, withdrawals of such demands, and any other documents or instruments served pursuant to applicable Law received by the Company with regards to dissent and/or appraisal rights, and (ii) the opportunity to select an appraiser on behalf of the Company and to approve any and all matters relating to the appraisal as conducted by such appraiser with respect to the appraisal of fair value of the Dissenting Shares under Section 179 of the BVI Act. The Company shall not, except with the prior written consent of the Parent Group, settle any demand for appraisal rights.

Following the achievement of any Earn-Out Milestone (and no later than within 5 Business Days thereof), the Company shall prepare and deliver to the Shareholders' Representative (with a copy to the Parent Group) a written statement that said Earn-Out Milestone has been achieved (the "Earn-Out Achievement Notice"). The Earn-Out Achievement Notice shall include (i) confirmation or which Earn-Out Milestone was achieved and the date thereof; and (ii) confirmation by the General Counsel of the Parent that all of the Parent Groups' representations and warranties as set out in Article VI are true and correct as of such date.

(d) Timing of Payment. Any Earn-Out Consideration pursuant to this Section 3.9, shall be effected by the Parent Group no later than fifteen (15) Business Days following the occurrence of the relevant Earn-Out Milestone. For the avoidance of doubt, (i) failure by the Company to issue the Earn-Out Achievement Notice shall not exempt the Parent Group from any obligations pursuant to this Section herein; and (ii) if any of the Earn-Out Milestones are achieved prior to Closing, then the applicable portion of the Earn-Out Consideration shall only be paid by the Parent Group at Closing. For the avoidance of doubt, it is the intent of the parties that such payments will be made, if at all, in any event within the period required by Section 1.409A-3(i)(5)(iv)(A) for payments to holders of Vested Company RSUs and Vested Company Options. Notwithstanding anything to the contrary herein, with respect to the portion of any Earn-Out Consideration payable in Shift4 Payments, Inc. Class A common stock (and not in cash pursuant to Section 3.9(c)) is payable to a Relevant Holder, such Earn-Out Consideration shall be issued and delivered at the following times: (i) one third of such portion of the Earn-Out Consideration on the six month anniversary of the Closing Date; (ii) one third of such portion of the Closing Consideration Stock on the nine month anniversary of the Closing Date; and (iii) one third of such portion of the Closing Consideration Stock on the one year anniversary of the Closing Date.

For Tax purposes, if the Earn-Out Consideration is paid to recipients other than the holders of Vested Company Options and Vested Company RSUs, it shall be treated as an adjustment to the Closing Consideration, unless a contrary treatment is required by Law. Distributions to holders of Vested Company Options and Vested Company RSUs, other than 102 Company Options and/or 102 Shares, shall be treated as compensation and subject to applicable payroll tax withholding (which the Parent agrees to pay by retaining shares of Shift4 Payments, Inc.'s Class A shares of common stock that would otherwise be distributed to such holders pursuant to this Section as Earn-Out Consideration, and Parent agrees to remit the cash amount of any such withholding Taxes to the relevant Taxing authority. The Earn-Out Consideration paid to holders of 102 Company Option and/or 102 Shares shall be issued as a share award under the Parent Equity Plan pursuant to the provisions of Section 102(b)(2) and Section 102(b)(3) of the ITO and deposited with the 102 Trustee all in accordance with and subject to obtaining the 102 Israeli Tax Ruling or the Interim 102 Israeli Tax Ruling.

(ii) Parent Group agrees to operate the Group Companies following the Closing in the ordinary course (in good faith) and with no intent to frustrate the ability of the Participating Equity Holders to receive Earn-Out Consideration. Without derogating from the generality of the foregoing, in the event that during the period from the Closing through Earn-Out Qualifying Date, Parent Group (or its Affiliates, as applicable) shall:

(A) sell the Company, the Group Companies' business or any material part of the business of the Group Companies to any third party,

(B) shut down a material portion of the business of the Group Companies (as carried out on the Closing Date),

(C) implement a significant change (including by way of terminating (other than for cause) or adversely amending engagement terms with key managerial personnel or significantly reducing working capital available), which is reasonably likely to have a material adverse effect on the Group Companies' business and the ability to reach any of the Earn-Out Milestones,

(D) directly or indirectly, take any action, or cause or permit anything to be done, that is reasonably likely to cause or directly result in the termination or material breach of any agreements with Starlink and VenueNext European by the Company or its Subsidiary (which is a party to such agreements), or

(E) be subject to any event of or any proceeding under any bankruptcy or insolvency law or laws relating to the relief of debtors, including, without limitation, any voluntary or involuntary bankruptcy, insolvency, receivership or other similar legal proceeding or arrangement involving the Parent, Parent Sub or their respective controlling shareholder or a material portion of their respective direct and indirect assets;

then in any such case (each such event(s) to be referred to herein as an "Acceleration Event") any amounts of the Earn-Out Consideration not yet paid shall be deemed earned and payable and shall be paid immediately upon the occurrence of such event. For the avoidance of doubt, the parties agree that termination of, amendment or modification to Material Contracts relating to certain merchant categories which are determined as high-risk by the Parent Group after Closing (not related to the Starlink or VenueNext European agreements) shall not in and of themselves be deemed to be an Acceleration Event.

(g) Any Earn-Out Consideration issued in consideration for 102 Shares and 102 Company Options shall be issued as a share award under the Parent Equity Plan pursuant to the provisions of Section 102(b)(2) and Section 102(b)(3) of the ITO and deposited with the 102 Trustee.

Any Participating Equity Holder who would otherwise be entitled to receive a fraction of a share of Shift4 Payments, Inc.'s Class A common stock (after aggregating all fractional shares of Shift4 Payments, Inc.'s Class A common stock issuable to such holder) shall, in lieu of such fraction of a share, be paid in cash the dollar amount (rounded to the nearest whole cent). Such cash to be paid in lieu of fractional shares shall be paid by the Parent Group at the Closing (with respect to what would otherwise be fractional Closing Consideration Stock) and, as applicable upon the effect of the Earn-Out Consideration (with respect to what would otherwise be fractional Earn-Out Consideration).

(e) Recapitalization. Section 1.3 Conditions to Obligation of the Company. The obligation of the Company to effect the Merger, and consummate the other transactions contemplated by this Agreement, is also subject to the satisfaction or waiver by the Company (in its sole discretion to the extent permitted by applicable Law) at or prior to the Closing of the following conditions:

(a) each of the representations and warranties of Parent Group contained in Article VI being true and correct in all respects on and as of the Closing Date except to the

extent such representations and warranties expressly related to a specific date in which case such representations and warranties need only to be so true and correct as of such specific date;

(b) the Parent Group having performed and complied in all material respects with all covenants, agreements and obligations required to be performed and complied by them under this Agreement at or prior to the Closing Date, including, without limitation, in respect of the obligations related to the Restricted Stock Units of Shift4 Payments, Inc., the Regulatory Condition and the OFAC Condition, as further set out in Article VII above; and

(c) The 104H Tax Ruling or the Interim 104H Tax Ruling shall have been received in a form satisfactory to the Company and the Electing Holders.

Section 1.4 Frustration of Closing Conditions. None of the Company, Parent Group may rely on the failure of any condition set forth in this Article VIII to be satisfied, if such failed condition is the result of a breach of its obligations under this Agreement.

Article IX

INDEMNIFICATION

Section 1.1 Indemnification.

(a) **Indemnification Obligations of Sellers.** Subject to the limitations set out in this Article IX, each Seller, severally and not jointly, shall indemnify, defend and hold harmless Parent Group, its respective officers, directors, agents, partners, shareholders, members, attorneys, accountants, representatives and successors, each in their capacity as such (collectively, the “Parent Indemnified Parties”) from, against and in respect of its Pro Rata Shares of any and all damages, losses, charges, and liabilities, but excluding any Excluded Damages (collectively, “Losses”) imposed on, sustained, incurred or suffered by them resulting solely from (i) a breach of any of the Seller Fundamental Representations or (ii) any of the Specified Matters, or (ii) any fraud or Willful Breach by the Sellers solely with respect to any Seller representations in Article V (each, a “Seller Claim”).

(b) **Indemnification Obligations of Parent Group.** Subject to the provisions of this Article VIII, Parent Group shall indemnify, defend and hold harmless the Company and the Sellers, their Affiliates and their respective officers, directors, employees, agents, partners, shareholders, members, attorneys, accountants, representatives and successors, (each in their capacity as such) from, against and in respect of any and all Losses imposed on, sustained, incurred or suffered by them resulting from, based upon, with respect to or by reason of breach of (i) any inaccuracy in or breach of any Representations made by Parent Group pursuant to Article VI in this Agreement; (ii) any breach by the Parent Group to comply with any of its covenants or obligations that was required to be performed or complied with according to the terms of this Agreement (except where such breach is cured prior to Closing or where such breach by the Parent Group is solely attributable to or as a consequence of a failure or breach by the Sellers and the Company of the terms of this Agreement); and (iii) any fraud or Willful Breach of the Parent Group. The indemnity obligation of the Parent Group under this Section Notwithstanding anything to contrary contained in this Section 9.1(b), no member of the Parent Group shall be liable in respect of any claim hereunder unless written notice of such claim is given by the Shareholders’ Representative on or before the date falling 12 months after (and excluding) the date of Closing.

(c) The aggregate liability of the Sellers in respect of the breach, alleged breach or inaccuracy of the representations and warranties made by the Company in this Agreement or in any Closing Document or other agreement or instrument delivered pursuant to this Agreement shall be \$1.00. Notwithstanding anything to the contrary in this Agreement and subject to the provisions of Section 9.1(d) and the first sentence of this Section 9.1(c), it is expressly agreed that the R&W Insurance shall provide the sole and exclusive remedy of the Parent and Parent Indemnified Parties with respect to (i) any breach, alleged breach or inaccuracy of the representations and warranties made by the Company in this Agreement or in any Closing Document or other agreement or instrument delivered pursuant to this Agreement except in respect of any Specified Matters (to the extent such matters are not adequately covered by the R&W Insurance) and (ii) Pre-Closing Taxes and any Taxes that result from or are imposed in connection with the consummation of the Merger or any Taxes of Parent Group or, following the Closing, the Company or any of their Affiliates resulting from actions taken by them at or following the Closing, excluding in each case any Taxes indemnified pursuant to any Specified Tax Matter and/or the [***], and for the avoidance of doubt, Parent and Parent Indemnified Parties shall have no recourse rights for any amount of Loss and shall not be entitled to seek any remedy from the Participating Equity Holders in respect of (i) or (ii) other than with respect to Specified Matters not covered by R&W Insurance and/or the [***], solely from the Indemnity Escrow Account subject to the limitations set out in Section 9.1(d) below. The above shall not derogate from any obligation as expressly set out in the [***], subject to the terms therein.

(d) Limitations.

(i) Notwithstanding the aforesaid, and without derogating from the provisions of Section 9.1(c), Parent Indemnified Parties shall be entitled to satisfy and pay from the Escrow Account claims for each Specified Matter up to a maximum of the Indemnity Escrow Amount, provided however that (i) with respect [***], the maximum liability shall not exceed the Indemnity Escrow Amount or any portion thereof remaining in the Escrow Account at such time, which amounts shall be released in accordance with the Escrow Agreement and no later than upon expiry of the applicable Specified Matter Survival Period for [***] as set out in item a of Schedule 9.1(a); (ii) for all Specified Matters in Schedule 9.1(a) other than [***] (the “General Specified Matters”) an aggregate amount not to exceed the Indemnity Escrow Amount provided that the Maximum Remaining Escrow Amount (or any portion thereof to the extent not paid to the Parent Indemnified Parties as per the terms of the Escrow Agreement) shall be released no later than the third anniversary of the Closing. To the extent that the liability for [***] and [***] is discharged and fully paid post Closing from the funds available in the Escrow Account, the amounts available for the General Specified Matters shall not exceed the Maximum Remaining Escrow Amount; and (iii) no Seller shall be liable for any Loss beyond its Pro Rata Share in respect of any Specified Matter and with respect to any amount then remaining at such time in the Indemnity Escrow Amount. It is further clarified that the Indemnity Escrow Amount, and each portion of the Specified Matter Allocations as set out hereinabove, shall serve as sole and exclusive security for such obligations of the Sellers towards the Parent Group in respect of the relevant Specified Matters.

(ii) Without derogating from the provisions of Section 9.1(c) or Section 9.1(d)(i) above, (i) the maximum amount in respect of which the Parent Indemnified Parties shall be entitled to indemnification pursuant to Section 9.1(a) above and the aggregate liability of each Seller in respect of such claims for indemnification and any other liability incurred in connection with the Agreement including pursuant to the [***], shall not exceed an amount equal to the portion of the Aggregate Consideration actually received by such Seller (on an after-Tax basis) provided, that each Seller’s liability for any Losses hereunder, shall be

limited to such Seller's Pro Rata Share of the amount of any Losses resulting therefrom, and (ii) no Seller shall be responsible for, or indemnify a Parent Indemnified Party in respect of, any breach or any fraud that is committed by any other Participating Equity Holder.

(iii) Nothing in this Agreement shall derogate from Indemnified Parties' obligation to use reasonable efforts to mitigate any Losses provided that a failure to mitigate any Losses shall not extinguish the right to indemnity under this Article IX but may reduce the amounts recoverable pursuant to such indemnity claim.

Section 1.2 Third Party Claim Indemnification Procedures

(a) In the event that any claim or demand for which a Person from whom indemnification is sought under this Article IX (the "Indemnifying Party") may have liability to any Person claiming indemnification under this Article IX (the "Indemnified Party") hereunder (which, for the avoidance of doubt, shall not include any claim for which the Indemnified Party's sole recourse is under the R&W Insurance Policy) is asserted against or sought to be collected from any Indemnified Party by a third party (a "Third Party Claim"), such Indemnified Party shall, promptly following such Indemnified Party's receipt of a Third Party Claim, notify the Indemnifying Party in writing of such Third Party Claim including reasonable details with respect thereto, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable, and, to the extent practicable, any other material details pertaining thereto (a "Claim Notice"); provided, that the failure to give such Claim Notice shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent that the Indemnifying Party is actually and materially damaged or prejudiced as a result of such failure to give timely notice *vis-à-vis* its rights and obligations hereunder or otherwise. Subject to the limitations set forth in Section 9.2(b), the Indemnifying Party shall have thirty (30) days after receipt of a Claim Notice to assume the conduct and control, through counsel reasonably acceptable to the Indemnified Party and at the expense of the Indemnifying Party, of the settlement or defense of the applicable Third Party Claim, and the Indemnified Party shall cooperate with the Indemnifying Party in connection therewith; provided, that the Indemnifying Party shall permit the Indemnified Party to participate in such settlement or defense through counsel chosen by such Indemnified Party; provided, further, that the fees and expenses of such counsel shall be borne by such Indemnified Party. In the event the Indemnifying Party assumes conduct and control of a Third Party Claim, the Indemnifying Party shall not, except with the consent in writing of the Indemnified Party (which shall not be unreasonably withheld, conditioned or delayed), enter into any settlement or consent to entry of any judgment that (x) imposes any injunctive relief or other equitable relief against the Indemnified Party, or (y) does not include as a term thereof the giving by the Person(s) asserting such Claim against the Indemnified Party of an express and unconditional release from all liability with respect to such Third Party Claim. So long as the Indemnifying Party is reasonably contesting any such Third Party Claim in good faith, the Indemnified Party shall not pay or settle any such Third Party Claim; provided, that if the Indemnified Party does pay or settle such Third Party Claim it shall waive any right to indemnity by the Indemnifying Party for the Losses set forth in the Claim Notice solely with respect to such matters that have been paid or settled unless the Indemnifying Party shall have consented to such payment or settlement. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days after the receipt of the Claim Notice that it elects to undertake the defense of the applicable Third Party Claim, the Indemnified Party shall have the right to contest the Claim at the expense of the Indemnifying Party, provided that the Indemnified Party shall not enter into any settlement of, or consent in writing to entry of any judgment with respect to, such

Third Party Claim, without the consent of the Indemnifying Party (which shall not be unreasonably withheld, conditioned or delayed).

(b) Notwithstanding anything in Section 9.2(a) to the contrary, the Indemnified Party will have the right to conduct and control, through counsel of its choosing and at the expense of the Indemnifying Party, the defense, compromise and settlement of any Third Party Claim if (i) such Third Party Claim seeks an injunction or other equitable relief against the Indemnified Party or alleges a criminal violation, (ii) in the reasonable opinion of counsel to the Indemnified Party, a conflict or potential conflict exists between the Indemnified Party and the Indemnifying Party, or (iii) the R&W Insurance Provider has exercised a right to defend the Third Party Claim under the R&W Insurance Policy. Additionally, the Indemnifying Party will lose its right to contest, defend, litigate and settle the Third Party Claim if it fails to accept a tender of the defense of the Third Party Claim according to Section 9.2(a). In such event, the Indemnified Party will have the right to conduct and control, through counsel of its choosing and at the expense of the Indemnifying Party, the defense, compromise or settlement of any such Third Party Claim; provided, however, that at least fourteen (14) days prior to any such settlement, written notice of its intention to settle is given to the Indemnifying Party during which settlement shall be subject to the prior written consent of the Indemnifying Party (which shall not be unreasonably withheld, conditioned or delayed) if during such fourteen (14) days the Indemnifying Party acknowledges that it is responsible to indemnify such Indemnified Party for Losses incurred in connection therewith. If the Indemnifying Party, within thirty (30) days after written notice of any Third Party Claim (or sooner if the nature of the Third Party Claim so requires), elects not to defend such Third Party Claim (or is not entitled to assume or continue the defense of such Third Party Claim) or thereafter fails or ceases to defend such Third Party Claim, actively (given the nature of the case) and in good faith, then the Indemnified Party will (upon further advance written notice of at least three (3) days) have the right to undertake the defense, compromise or settlement of such Third Party Claim as it deems appropriate and at the expense of the Indemnifying Party, or consent to the entry of a judgment with respect thereto, and the Indemnifying Party shall thereafter have no right to undertake the defense, compromise or settlement thereof.

Section 1.3 Notice of Claims.

(a) Notwithstanding anything to the contrary, no Seller shall be liable in respect of any Seller Claim unless written notice of such Seller Claim is given by the Parent Group to the Shareholders' Representative from whom indemnification is sought on or before:

- (i) the date falling 12 months after (and excluding) the date of Closing.
- (ii) with respect to the Specified Matter, the Specified Matter Survival Period as applicable in respect of such

Specified Matter.

(b) Where a breach giving rise to a Seller Claim is capable of remedy, the Parent Group shall not be entitled to make any claim (whether for damages or otherwise) in respect of such breach if the breach is remedied within thirty (30) Business Days after notice of the Seller Claim is given.

(c) If notice of any Seller Claim is served by the Parent Group, no Seller shall be liable in respect of such Seller Claim (if such Seller Claim has not been satisfied or settled) unless:

(i) Proceedings in respect of such Seller Claim are both issued and served within three months after (and excluding) the date on which notice is served; and

(ii) such Proceedings are being and continue to be pursued with reasonable diligence.

Section 1.4 No Multiple Recoveries. No Indemnified Party shall be entitled to recover from the Indemnifying Party more than once for any particular Loss, nor shall the Indemnifying Party be liable or otherwise obligated to indemnify any or all Indemnified Parties for the same Loss more than once and there shall be no double counting. For the avoidance of doubt it is expressly agreed that no Seller shall be liable for any Losses which are categorised as Company Transaction Expenses for the purposes of determination of the Closing Total Indebtedness.

Section 1.5 Determination of Losses. All Losses subject to indemnification pursuant to this Article IX or the [***] shall be calculated net of the amount of any recoveries received by an Indemnified Party prior to the payment in full of such Losses under any existing insurance policies and contractual indemnification or contribution provisions incurred or paid to procure such recoveries in respect of any indemnifiable Losses suffered, paid, sustained or incurred by any Indemnified Party. Furthermore, the amount of Losses shall be reduced by any actual Tax payment or refund actually received with respect to the specific indemnifiable event or item, as determined in the reasonable discretion of the Indemnified Party. In addition, all Losses subject to indemnification under this Article IX or the [***] shall be reduced by any Tax attribute (including for the avoidance of doubt, and notwithstanding anything else to the contrary herein, any existing net operating losses) that is available to offset any Tax Liability in connection with such Losses, such that the Company Group shall first be required to utilize any existing net operating losses, credits or any other Tax attributes prior to any payment of indemnification with respect to such Losses (for the avoidance of doubt, the value of any such Tax attributes utilized shall not increase the amount of Losses so indemnified), provided that such net operating losses, credits or other Tax attributes have arisen in a Pre-Closing Tax Period and have not been taken into account in calculating the Adjusted Merger Consideration as a Deferred Tax Asset. If an Indemnified Party recovers an amount from a third party in respect of a Loss that is the subject of indemnification hereunder after all or a portion of such Loss has been paid by an Indemnifying Party pursuant to this Article IX, the Indemnified Party shall promptly remit to the applicable Indemnifying Party the excess of (i) the amount paid by the Indemnifying Party in respect of such Loss, *plus* the amount received from the third party in respect thereof, *less* (ii) the full amount of the Loss.

Section 1.6 No Rights of Set-Off. Notwithstanding anything to the contrary in this Agreement, the Parent Group for itself and for its Subsidiaries, Affiliates, successors and assigns hereby unconditionally and irrevocably waives any rights of set-off, netting, offset, recoupment or similar rights that the Parent Group or any of its Subsidiaries, Affiliates, successors and assigns has or may have with respect to any payments to be made by the Parent Group pursuant to this Agreement or instrument delivered by the Parent Group in connection herewith.

Section 1.7 Tax Treatment of Payments. All indemnification payments made pursuant to this Agreement shall be treated by all parties, to the extent permitted by Law, as an adjustment to the Merger consideration for all Tax purposes.

Article X

TERMINATION

Section 1.1 Termination. This Agreement may be terminated at any time prior to the Closing only as follows:

(a) by mutual written consent of the Company and any member of the Parent Group;

(b) by either Parent Group or the Company, if the Closing shall not have occurred by 4:00 p.m., New York City time on 1 March 2023 which corresponds to the first anniversary of this Agreement, which date may be extended from time to time by mutual written consent of any member of the Parent Group and the Company (such date, as it may be so extended from time to time, the "End Date") provided, that the right to terminate this Agreement pursuant to this Section 10.1(b) shall not be available to any party that has breached any of its covenants or other obligations set forth in this Agreement in any manner that shall have been the primary cause of the failure of the Merger to occur by the End Date.

(c) by either Parent Group or the Company, if any of the Regulatory Approvals (other than a refusal from the Hong Kong Customs and Excise Department, in which case, Parties acting reasonably shall discuss alternate proposals to proceed with Closing in compliance with applicable Laws) are refused or denied (despite Parties having made reasonable efforts to review the decision of the Governmental Authorities) or in the event of a Specified Litigation where there is a permanent injunction or non-appealable order or judgment against the implementation of the Merger.

(d) by the Parent Group, in the event of occurrence of a Material Adverse Effect, provided that the Parent Group afforded the Company a period of 30 days to remedy any matters that caused the Material Adverse Effect.

Notwithstanding, the Parent Group and the Company agree that the End Date shall be automatically extended by up to a further 60 Business Days as a one-time extension, in the event that the OFAC Condition, the Regulatory Condition is/are not satisfied by the End Date and for a period of up to 60 Business Days in the event of a Specified Litigation that is outstanding (without a final order or permanent injunction) as on the End Date.

Section 1.2 Notice of Termination. If Parent Group or the Company desires to terminate this Agreement pursuant to Section 10.1, it shall give written notice of such termination to (in the case of termination by Parent Group) the Company or to (in the case of termination by the Company) Parent Group.

Section 1.3 Effect of Termination. In the event of termination of this Agreement and the abandonment of the Merger pursuant to this Article X, this Agreement shall become void. Notwithstanding anything in the foregoing to the contrary in this Agreement, no such termination shall relieve any party hereto of any liability or damages to the other parties hereto and the provisions set forth in this Article X and Article XI, Section 7.7 shall survive the termination of this Agreement.

Article XI

No failure on the part of any party in exercising any right, privilege or remedy hereunder and no delay on the part of any party in executing any right, privilege or remedy under this Agreement, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right hereunder. Section 1.10 No Third Party Beneficiaries. Section 1.12 Severability. Any such term or provision found to be illegal, invalid or unenforceable only in part or in degree shall remain in full force and effect to the extent not invalid, illegal or unenforceable. Upon the determination that any term or provision is invalid, illegal or unenforceable, the parties intend that such provision shall be construed by modifying or limiting it so as to be valid and enforceable to the maximum extent possible under applicable Law and compatible with the consummation of the Merger and other transactions pursuant to the terms of this Agreement as originally intended.

the sole discretion of the Shareholders' Representative for the accomplishment of the foregoing and all of the other terms, conditions of this Agreement;

(viii) consult with legal counsel, independent public accountants and other experts selected by it, solely at the cost and expense of the Participating Equity Holders;

(ix) consent or agree to any amendment to this Agreement or to waive any terms and conditions of this Agreement providing rights or benefits to the Participating Equity Holders in accordance with the terms hereof and in the manner provided herein;

(x) take all actions necessary or appropriate in the judgment of the Shareholders' Representative for the accomplishment of the foregoing, in each case without having to seek or obtain the consent of any Person under any circumstance. Parent Group and their respective Affiliates (including after the Effective Time, the Surviving Corporation) shall be entitled to rely on the Shareholders' Representative and treat the Shareholders' Representative as the duly appointed attorney-in-fact of each Participating Equity Holder and as having the duties, power and authority provided for in this Section 11.14(a);

(xi) withhold from any cash payment or distribution to the Participating Equity Holders on and after the date hereof, the amount of any fee payable to the Shareholders' Representative and any reasonable cost and expense incurred directly or indirectly by the Shareholders' Representative in connection with its obligations hereunder or relating to the transactions contemplated hereby to the extent the Expense Fund has been depleted; and

(xii) enforce payment and distribution of any amounts payable to the Participating Equity Holders, in each case to the extent of each of the Participating Equity Holders' respective interests therein.

(xiii) In connection with the performance of its obligations hereunder and under the Paying Agent Agreement and the Escrow Agreement, the Shareholders' Representative shall have the right at any time and from time to time to select and engage attorneys, accountants, investment bankers, advisors, or consultants and obtain such other professional and expert assistance (in all cases as reasonably necessary), and maintain such records, as reasonably necessary or desirable, and incur other reasonable out-of-pocket expenses. The Shareholders' Representative will not be liable for any loss of principal of the Expense Fund other than as a result of its gross negligence, willful misconduct or fraud. The Shareholders' Representative will hold these funds separate from its own funds, will not use these funds for its operating expenses or any other corporate purposes and will not voluntarily make these funds available to its creditors in the event of bankruptcy. For tax purposes, the Expense Fund will be treated as having been received and voluntarily set aside by the Participating Equity Holders at the time of Closing. Any funds remaining in the Expense Fund shall be distributed to the Participating Equity Holders promptly following the completion of the Shareholders' Representative's duties, or at such earlier time as the Shareholders' Representative may determine in its sole discretion.

(b) Exculpation; Indemnification; Advancement of Expenses.

(i) In dealing with this Agreement and any instruments, agreements or documents relating thereto, and in exercising or failing to exercise any or all of the powers

conferred upon the Shareholders' Representative hereunder, the Shareholders' Representative assumes, and shall not be liable to any Participating Equity Holder for any act done or omitted hereunder as the Shareholders' Representative while acting in good faith (and any act done or omitted pursuant to the advice of counsel shall be conclusive evidence of such good faith) and without fraud, gross negligence or willful misconduct. The Shareholders' Representative shall be entitled to rely on the advice of counsel, public accountants or other independent experts experienced in the matter at issue, and any error in judgment or other act or omission of the Shareholders' Representative (which is not the result of fraud, gross negligence or willful misconduct) whether or not pursuant to such advice shall in no event subject the Shareholders' Representative to liability to the Participating Equity Holders.

(ii) The Shareholders' Representative shall serve as the Shareholders' Representative without compensation; provided, that the Participating Equity Holders shall severally but not jointly indemnify the Shareholders' Representative, defend and hold it harmless against any loss, Liability, damage, claim, penalty, fine, Proceeding, Order, fee, cost or expense incurred without fraud, gross negligence, willful misconduct or bad faith on the part of the Shareholders' Representative (collectively, the "Representative Losses") and arising out of, resulting from or in connection with the (1) acceptance or administration of its duties hereunder, including all reasonable out-of-pocket costs and expenses and legal fees and other legal costs reasonably incurred by the Shareholders' Representative, or (2) performance of this Agreement, the Paying Agent Agreement, the Escrow Agreement and any other agreements ancillary hereto, in each case as such Representative Loss is suffered or incurred; provided, that in the event that any such Representative Loss is finally determined to have been directly caused by the fraud, gross negligence or willful misconduct of the Shareholders' Representative, the Shareholders' Representative will reimburse the Participating Equity Holders the amount of such indemnified Representative Loss to the extent attributable to such willful misconduct. If not paid directly to the Shareholders' Representative by the Participating Equity Holders, any such Representative Losses may be recovered by the Shareholders' Representative from the funds in the Expense Fund; provided, further, that while this section allows the Shareholders' Representative to be paid from the aforementioned source of funds, this does not relieve the Participating Equity Holders from their obligation to promptly pay such Representative Losses as they are suffered or incurred, nor does it prevent the Shareholders' Representative from seeking any remedies available to it at law or otherwise. In no event will the Shareholders' Representative be required to advance its own funds on behalf of the Participating Equity Holders or otherwise. Notwithstanding anything in this Agreement to the contrary, any restrictions or limitations on liability or indemnification obligations of the Participating Equity Holders set forth elsewhere in this Agreement are not intended to be applicable to the indemnities provided to the Shareholders' Representative under this section.

(iii) After the Closing, any notice or communication given or received by, and any decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of, the Shareholders' Representative that is within the scope of the Shareholders' Representative's authority under Section 11.14(a) shall constitute a notice or communication to or by, or a decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of all the Participating Equity Holders and shall be final, binding and conclusive upon each such Participating Equity Holder; and each Indemnified Party shall be entitled to rely exclusively upon any such notice, communication, decision, action, failure to act within a designated period of time, agreement, consent, settlement or instruction as being a notice or communication to or by, or a decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of, each and every such Participating Equity Holder. Parent Group, the Surviving Corporation and the Indemnified Parties are hereby relieved from any liability to any Person for any acts done by them in accordance with such notice, communication, decision,

action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of the Shareholders' Representative.

(c) Upon the dissolution or resignation of the Shareholders' Representative, a successor shall be appointed by in accordance with the provisions of the Shareholder Representative Agreement; provided, that the Shareholders' Representative shall provide Parent Group with at least thirty (30) days' prior written notice of such dissolution or resignation.

Section 1.15 Counterparts. This Agreement may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement. This Agreement and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of electronic transmission of PDF files or other image files via e-mail, cloud-based transfer or file transfer protocol, or use of a facsimile machine, shall be treated in all manner and respects and for all purposes as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party to any such agreement or instrument shall raise the use of electronic transmission or a facsimile machine to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of electronic transmission or a facsimile machine as a defense to the formation or enforceability of a contract, and each such party forever waives any such defense.
